About This Book:

My name is Steve M Nash – I’m the editor of guru-free SelfHelpCollective.com, and I compiled this funny quotes ebook. I do so hope you found it funny. If so, please do share with a friend or 3. (*You do have 3 friends, don’t you? Great! ☺*)

So, and on a slightly more serious note, **I put this ebook together because** I think that laughing and guffawing is fun.

And I think ‘fun’ is the whole point of self-help (self improvement, personal development, whatever word you want to use...) – otherwise, why bother with any of it!

I also wanted to **share 3 powerful resources with you** that can help inspire you, **help you to effect change in your life**, AND (in a roundabout way) help you have more fun...
