PERFORMANCE MATTERS TRAINING

Training for teachers who will create and administer tests using Performance Matters. Preference will be given to those teachers of SOL-tested subjects in grades 3-11 who were unable to attend the October 14 training.

Please note that English textbook training (Wonders) has been scheduled for November 5, 2019; therefore, English teachers who are unable to attend the session on October 14 will need to attend the November 4 Performance Matters training, and substitutes will be needed to cover their classes.
