## Something to Talk About

<i>As a toddler-</i>	He pretended to be "Datchula" (vs. Dracula)
<i>At age 5-</i>	Fully potty-trained, he made good use of a department store bathroom display
<i>At age 13-</i>	He wrote his first song (For his brother Danny who passed away at age 21)
<i>In High School-</i>	He played baseball and football (A south-paw pitcher and defensive back/wide receiver)
<i>At age 16-</i>	He purchased his first car--a 1981 canary yellow Volkswagen truck (He currently drives an Isuzu SUV)
<i>Today-</i>	He's a practical joker but serious about his family. At various truck stops, he's been seen getting off his tour bus sporting just his boxers and a pair of cowboy boots...and...roaming the airport wearing a pair of "Playboy" slippers.

## Embarrassing Moments

- Performed on stage with his zipper open and his shirttail sticking out
