Grade 3 Adjectives Worksheet

Circle the adjectives in the story.

During Pioneers times, life was not **easy**. The men worked hard at removing the tall trees from their land to build their small log homes. They labored from dawn until dusk to build a solid home for their families. The women also worked hard. They planted vegetable gardens and tended to them all summer long to make sure they would have fresh food to put on the table. They washed dirty clothes by hand using square soap they made from scratch. The many children helped a lot with the easier chores. They milked the cows and collected the eggs from the chicken coop. They cleaned the filthy stable and fed the hungry animals. They completed all their daily chores before walking to school. Life as a pioneer was hard, and people worked for every bit of food they ate.

Hint:
Adjectives are words that describe nouns.
