

HOW TO SIGN INTO YOUR GOODWIN PORTAL

Hello and welcome to Goodwin College!

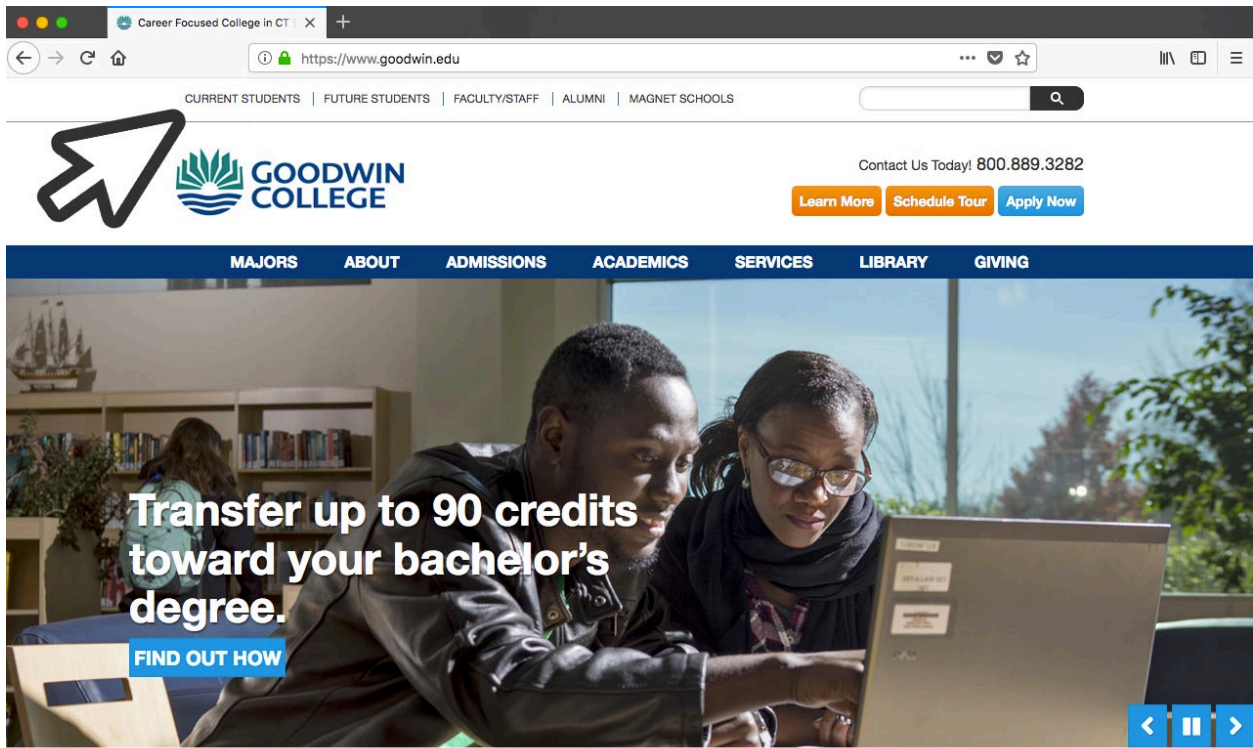

This document was created to help current students log into the portal so they can access Blackboard, Sonis, Office 365/email, and other programs that will be used often during a student's time here.

STEP 1.

Go to www.goodwin.edu

STEP 2:

Click on "Current Students" Right above the Goodwin College Logo.

The screenshot shows the Goodwin College website homepage. At the top, there is a navigation bar with links for "CURRENT STUDENTS", "FUTURE STUDENTS", "FACULTY/STAFF", "ALUMNI", and "MAGNET SCHOOLS". Below this is the Goodwin College logo, which includes a stylized arrow icon and the text "GOODWIN COLLEGE". To the right of the logo, there is a contact number "Contact Us Today! 800.889.3282" and three buttons: "Learn More", "Schedule Tour", and "Apply Now". Below the logo and contact information is a dark blue navigation bar with links for "MAJORS", "ABOUT", "ADMISSIONS", "ACADEMICS", "SERVICES", "LIBRARY", and "GIVING". The main content area features a large image of two students, a man and a woman, looking at a laptop. Overlaid on the image is the text "Transfer up to 90 credits toward your bachelor's degree." and a blue button that says "FIND OUT HOW". At the bottom right of the image, there are navigation arrows: a left arrow, a pause symbol, and a right arrow.

STEP 3:

Click on "myNavigator"

STEP 5:

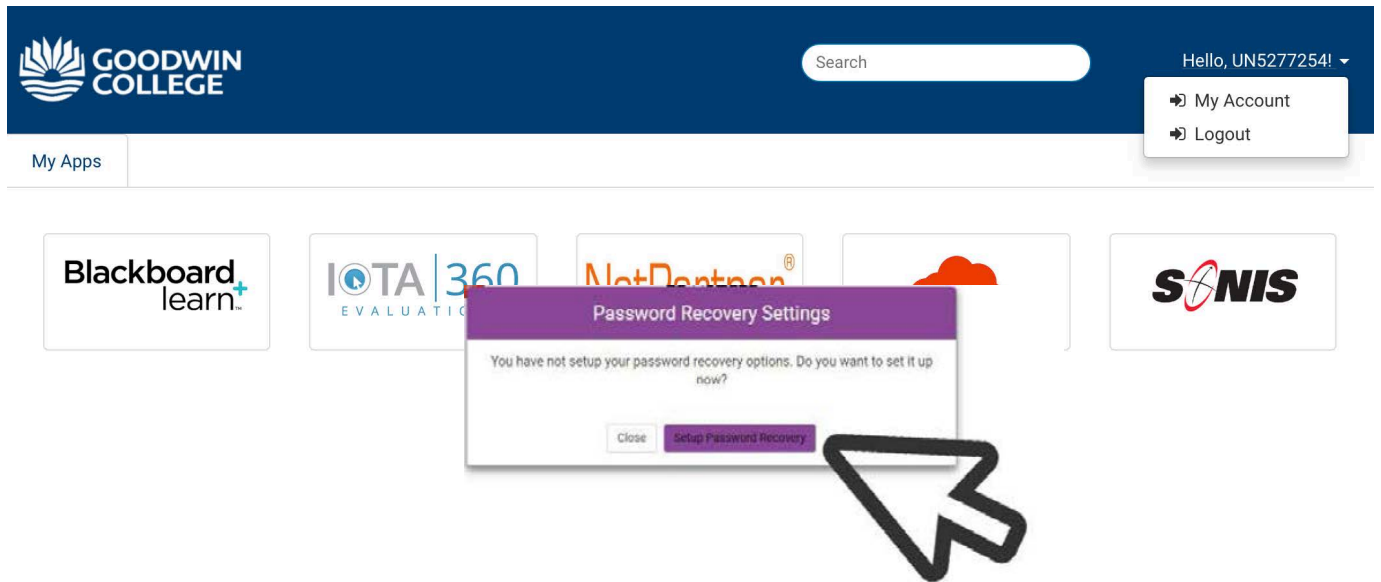

You will be taken to the “Portal Page” where you will see the icons for the programs: Blackboard, Sonis, Office 365, and Netpartner.

You will be able to click on the program and enter without further login, with exception to NetPartner

NOTE: If this is the first time you are signing in, then you may be prompted with the following.

If this is the first time you are signing in, then you will be prompted to set up your Password Recovery Settings. Click on Setup Password Recovery.

You can change your security answers by going into **My Account** found on top right. This is a new authorization process to protect your identity.

You will not be able to change your password. This can only be done by IT.

STEP 6:

You will choose 4 security questions to answers. These questions will be randomly chosen for you to answer when you try to log onto different technology/IP addresses. (Make sure to document your answers so you can remember.)

Verification methods can be used to make sure it's really you signing in or to reach you if suspicious activity is detected in your account.

Security Questions

Set up your security questions and answers to recover your password.

TIPS FOR CHOOSING A GOOD SECURITY QUESTION

The answer should contain minimum 3 character(s)

Q What is your childhood nickname?	Q What is the your favorite movie?
A	A
Q What is the middlename of your oldest child?	Q What is the make and model of your first car?
A	A
