## **ABOUT GELSTAT CORPORATION**

GelStat Corporation is a publicly-traded company trading under the symbol ("GSAC") that is engaged in research, development, marketing and branding of innovative over-the-counter (OTC) consumer healthcare products addressing very large markets. Through its recent acquisition of Mastix Medica (now a wholly owned subsidiary of GelStat), it is now a fully integrated healthcare products company with proprietary manufacturing capabilities. For more information, visit [www.gelstat.com](http://www.gelstat.com).

Mastix Medica develops and manufactures niche healthcare products in dosage forms like tableted chewing gum, chewable tablets and lozenges. Mastix Medica is one of very few companies in the world that has the ability to make tableted chewing gum products at room temperature versus the traditional boiling process which can degrade the active ingredients and reduce their efficacy. Most importantly, Mastix Medica has a patent pending process for incorporating hemp oil into chewing gum, lozenges and chewable tablets.
