

Selling A Vehicle

What do I need when selling a vehicle (changing vehicle ownership)?

Selling a vehicle with North Dakota title

- Part 1 (Seller's Assignment & Warranty of Title) must be signed and dated by seller, completed showing selling price, date of sale, and current odometer reading which is required on all motor vehicles less than ten (10) years old.
- If vehicle is less than nine (9) years old [SFN 18609 Damage Disclosure Statement](#) must be completed by the seller.
- When the owner of a vehicle sells, trades, or otherwise transfers the ownership of the vehicle, the owner must remove the license plate(s) and the vehicle will be considered unlicensed.
- The buyer may operate the vehicle for a maximum of five (5) days from date of acquisition without displaying any visible evidence of registration. However, the transferee must have dated evidence of ownership in the vehicle during these five (5) days. Dated evidence of ownership is either a dated bill of sale or a dated copy of the certificate of title.
