

School District Code List (See MI-1040 or MI-1040CR, line 4.)

Michigan public school districts are listed alphabetically with code numbers to the **left** of the names. When more than one district has the same name, the county or city name in parentheses helps you choose the right district. **Residents**, choose the code for the district where you lived on December 31, 2019. Call your local assessor or treasurer if you do not know your school district name. **Nonresidents**, enter “10000” in the school district code box.
