

REGISTRY OF MOTOR VEHICLES NOTIFICATION

MARCH 20, 2020

*Due to the restrictions that we are living under, at this time and in the future, the processing of School Pupil Transportation Driver Certificate renewals and applications will be effected by the reduction of the workforce at the RMV **unless you do so on-line**. Because of staffing limitations at RMV headquarters, the ability to process paper applications may be deemed impossible, or delayed at best. However, because of the ability to work remotely, there will be no delay in the processing of on-line applications. You can submit your application by going to mass.gov/myrmv. If you do submit on-line, please remember to include an email address in the event there is a problem with your application. This as an opportunity to change our business practices and alleviate the processes of sorting mail, opening envelopes, processing checks, mailing incomplete applications back to the applicant, etc. I hope you do as well.*
