

When it comes to participant direction in fiscal management services, ACES\$ is your experienced partner. Whether you're a participant, caregiver, service coordinator or state partner, you can count on our decades of experience and unique perspective on the FMS world. As an active member of Applied Self Direction, part of the National Resource Center for Participant Directed Services (NRCPS), we are at the forefront of this key service.

Get the ACES\$ Advantage!

When ACES\$ is your FMS provider, you enjoy many benefits, including:

- **Easy and quick enrollment** — Save time thanks to our personalized enrollment process. We work with you one-on-one so that your paperwork is correct and complete the first time, making the process smooth and fast.
- **Top-notch customer care** — When you contact ACES\$, you get a quick, personal response. Unlike other FMS providers, you talk to a REAL, knowledgeable person when you call us.
- **Off-cycle payroll** — Workers don't need to wait to get paid if there was an error on their timesheet. Submit the corrected one, and we'll process it by the end of the week — even if it's not our scheduled payroll date.
- **Freedom to choose** — Choose the best timesheet submission method for you, whether that's submitting online, emailing, mailing or faxing.
- **Access to real-time information** — Thanks to ACES\$ Online™, participants, workers, service coordinators and state partners can view real-time information. This level of transparency ensures quality and helps you manage your services.

Bringing a Unique Perspective to the FMS World

ACES\$ Financial Management Services is part of the Northeast Pennsylvania Center for Independent Living. That means **over 51% of our staff has a disability**. In fact, some of our employees and board members use our own services. Knowing what it's like to have a disability gives us a unique perspective. It's why we treat our clients as we want to be treated.
