# Texas Public Schools and Charters, Explanation of Symbols and Terms

## County, District, Region, School

The information on Texas public schools is arranged by counties, school districts (with education service center [ESC] region number following), and schools. Addresses, telephone numbers, and zip codes are shown immediately following the counties and school districts.

## County-District-School Number

These columns show the identification numbers used by the Texas Education Agency (TEA) for Texas counties, school districts, and schools. The counties of the state are numbered from 1 through 254 in alphabetical order. In 2013-14, there were 1,247 educational entities with TEA-assigned school district numbers.

TEA-assigned school numbers are unique identification numbers only; they do not denote school types (e.g., elementary school, junior high school, high school). Schools are numbered from 001 through 698. Schools are categorized as: regular instructional; alternative instructional; juvenile justice alternative education program instructional (JJAEP); disciplinary alternative education program instructional (DAEP); charter/regular instructional; charter/alternative instructional; charter/JJAEP instructional; or charter/DAEP instructional.

School type	Category					Status		
	Regular instructional	Alternative instructional	JJAEP	DAEP	Total	Active	Under construction	Total
Elementary school	4,573	76	2	18	4,669	4,613	56	4,669
Middle school	1,362	13	6	11	1,392	1,368	24	1,392
Junior high school	301	5	0	0	306	304	2	306
High school	1,274	302	23	25	1,624	1,598	26	1,624
Elementary/secondary school <sup>a</sup>	390	330	277	224	1,221	1,214	7	1,221
Ungraded (Windham Texas Department of Criminal Justice)	98	7	1	2	108	107	1	108
All school types	7,998	733	309	280	9,320	9,204	116	9,320

*Note.* School counts are based on grades taught at the schools.

<sup>a</sup>Special Education school counts are included in the elementary/secondary school counts.

## County and District Superintendents, Principals

The names of county superintendents, district superintendents, and school principals are shown opposite the administrative units they supervise.

## Grades

This column shows grade levels taught, including early education (EE), prekindergarten (PK), kindergarten (KG), and ungraded (UG).

## Enrollment

This column shows the fall 2012 enrollment for each school district and school. If the school configuration for a district changed for the 2013-14 school year, the school counts may not add to the district total. Revised school configurations for 2013-14 are received in the summer of 2013. When enrollment is fewer than five students or could be imputed from district totals, the count is masked with a dash (–) to protect student anonymity.

## Appraised Valuation and Tax Rates

Appraised valuation is in thousands. Tax rates are per \$100 of appraised valuation. Values are those reported by districts in their 2012-13 official budgets.
