Spectrum U –How to Install the Spectrum U App

Outlined below explains how to download and install the Spectrum U app for Android devices and iOS.

Connect to the SJUMobile wireless with your login credentials to view live TV streaming on your Laptop or Mobile Device.

Android

1. On your Android device, launch the **Google Play Store**.
2. On the Play Store home screen, tap the magnifying glass (**Search**) icon.
3. In the search bar, type *SpectrumU* (no spaces) and select the matching **SpectrumU** app when it appears.

4. Tap the **Install** button, then tap **Accept**.
5. Once the installation is complete, tap **Open** within the app listing in the Play Store, or go to your app launch screen to open the app or add it to your home screen.

iOS

1. On your iOS device, launch the **App Store**.
2. In the search bar, type *SpectrumU* and select the matching **SpectrumU** app when it appears.

3. Tap the **Free** button, then tap **Install App**.
4. Once installation is complete, close the App Store and locate the SpectrumU app on your home screen.

Laptop

1. On your laptop go to <https://watch.spectrum.net>
