

LOWER Poudre PRESS 2018

WILDFIRE IN THE MOUNTAINS

Thanks to the firefighters we were able to endure another near disaster without any loss of property or lives. The state is dry and that is always a problem. This fire was started by a lightning strike. We were anxious but our fire was a measly 230 acres. During that same time the Silver Creek fire near Kremmeling Colorado increased in size to 11,000 acres with over 200 families under mandatory evacuations. That fire is still not contained. From each event we learn more. One lesson this time is that communications are not as good as possible. LPCA will be working with Larimer County to enhance and define how to get the best information quickly. Hopefully this will be something we won't need for a while, but it doesn't hurt to be prepared.

October, tuck tiny candy bars in my pockets and carve my smile into a thousand pumpkins.... Merry October!

My heart is broken because some bad things have been happening in Poudre Park. Gasoline being stolen out of cars. Also vandals ruining decoration lights in their yards. Let's be good neighbors and good watch dogs.

If you have a problem with a neighbor get together and talk it out.

Let's be good neighbors and watch out for anything unusual going on in your yard or your neighbors yards.

Let's work together to make our neighborhood the best that it can be.

IT'S FOOTBALL SEASON

FOUND CAT. Cream color. Well cared for. No collar/tags. Doubt it's chipped. Can't keep it because my dog seems afraid of it.

GOT CATNIP?

Pig Roast report

Big Success story for the pig roast. \$10,000 was raised for the Poudre canyon Fire Protection District. Great Job !!!!

October gave a party;
The leaves by hundreds came-
The Chestnuts, Oaks, and Maples,
And leaves of every name.
The Sunshine spread a carpet,
And everything was grand,
Miss Weather led the dancing,
Professor Wind the band.

parting shots

how many dogs does it take to change a lightbulb?

◆ **Golden Retriever:** The sun is shining, the day is young, we've got our whole lives ahead of us, and you're inside worrying about a stupid burned out bulb?

◆ **Border Collie:** Just one. And then I'll replace any wiring that's not up to code.

◆ **Dachshund:** You know I can't reach that stupid lamp!

◆ **Rottweiler:** Make me.

◆ **Boxer:** Who cares? I can still play with my squeaky toys in the dark.

◆ **Lab:** Oh, me, me!!!! Pleeeeeze let me change the light bulb! Can I? Can I? Huh? Huh? Can I? Pleeeeeze, please, please, please!

◆ **German Shepherd:** I'll change it as soon as I've led these people from the dark, check to make sure I haven't missed any, and make just one more perimeter patrol to see that no one has tried

to take advantage of the situation.

◆ **Jack Russell Terrier:** I'll just pop it in while I'm bouncing off the walls and furniture.

◆ **Old English Sheep Dog:** Light bulb? I'm

sorry, but I don't see a light bulb.

◆ **Cocker Spaniel:** Why change it? I can still pee on the carpet in the dark.

◆ **Pointer:** I see it, there it is, there it is, right there...

◆ **Greyhound:** It isn't moving. Who cares?

◆ **Australian Shepherd:** First, I'll put all the light bulbs in a little circle...

◆ **Poodle:** I'll just blow in the Border Collie's ear and he'll do it. By the time he finishes rewiring the house, my nails will be dry.

◆ **The Cat's Answer:** Dogs do not change light bulbs. People change light bulbs. So, the real question is: How long will it be before I can expect some light, some dinner, and a massage?
