JULY 2019

BEAR CREEK HIGH SCHOOL

9800 West Dartmouth Place

Lakewood, CO 80236

(303) 982-8855

Dear Parents/Guardians:

We are very excited to welcome you to the 2019-20 school year. Our staff is excited to partner with students and families as we continue to deliver a high quality educational experience. In order to sustain and grow our excellence, it will continue to require a team effort. Together we can help our students' young minds achieve greatness. To support your son/daughter in maximizing their full potential, we ask that you assist your child in the following important ways:

- A large part of success for adults and students alike is a strong work ethic to include regular attendance and solid organizational skills. For your student to receive the full benefit of instructional programming, which the BCBS staff has thoughtfully crafted, they need to be fully present. This means coming to school on time and being well prepared. Please note that classes are in session each day from **7:15AM to 2:30PM with students starting later at 8:00am on Thursdays**. Please reinforce the importance of timely attendance with your student. This will serve them well now and in the future.
- ***We appreciate those of you who took the time to complete our survey on switching our teacher professional collaboration time (PLCs) from 2:00-3:00pm on Thursday to 7:00-7:50am. The response to this proposed change was overwhelmingly positive, with over 70% of respondents supporting this change in schedule for the 2019-20 school year. Parents will still be able to drop off their students as early as 6:45am and buses will run at their normal times. Student pickup on Thursdays will now be consistent with all other days of the week- 2:30pm. Please see the attached schedule in this newsletter.***
- Students have much to accomplish during the course of the school year. Being organized and informed will ensure they remain on track for success. In order for students to maximize their classroom success, they will need to invest time outside of the classroom through homework activities focused on demonstrating and expanding their understanding of critical concepts. The Infinite Campus Parent Portal (see article in this issue) should be checked regularly to review student progress and attendance. Please know that our counseling and instructional staff are prepared to support you and your student as they strive for success.
- ***Registration for the 2019-20 school year will be an online registration process again this year. We will have in-person support available for those that require it.*** Please take the time to carefully review the important information in this edition of the BC Dispatch. Enclosed you will find important dates, dress code expectations, schedules, and critical registration reminders. We hope you find the BC Dispatch to be helpful and you may look for future editions on our website at: <https://bearcreekhs.jeffcopublicschools.org/>

- Along with being involved in your student's daily progress, we invite you to be engaged in the broader school community through active participation in school-based committees such as our PTSA and Accountability. The PTSA is a wonderful, active, and supportive organization centered on student success. They assist with many activities including After Prom, volunteer coordination, and student scholarships. Accountability is focused on school goals, student programming, activity updates, budget issues, and other important items. These vital groups meet monthly. Great schools need community partnerships to be successful!

We look forward to another amazing year at Bear Creek High School. We thank you for trusting us with your children. We do not take this responsibility lightly. Enjoy the last few weeks of summer!

Sincerely,

Mr. Lynn Torr  
Principal  
Bear Creek High School

## BACK TO SCHOOL

**ALL STUDENTS REPORT  
FOR CLASSES ON  
THURSDAY  
AUGUST 15, 2019 FROM  
7:15 A.M. TO 2:30 P.M.**

## PARENT PORTAL INFORMATION

The parent portal is a wonderful tool parents can use to keep track of their students schedule, grades, and attendance. It is updated as soon as information is entered.

Parent portal passwords will remain the same as long as you have students in Jefferson County Schools. The account is linked to the parent, therefore it does not change. You will be able to see all of your children regardless of which school they attend.

Students also have access to parent portal through their own account. The user name is their student I.D. number. In May of 2012, the district had a forced password change for all students. Students needed to change their password in order to get into school computers and many other applications they use in school. This password is the password they will use to access the parent portal.

If you have forgotten your parent portal password, or your account needs to be reset, please contact Rose Schmidt at (303) 982-8727 or in the main office for assistance.

## RESOURCE CENTER

Once again we are approaching the beginning of a new school year hence the list of necessary items your child will need to start his or her school year will soon be coming. Depending on the size of your family and the number of children you have to help with supplies, this time of year can be somewhat stressful. I would like to offer up some suggestions on some community resources that may be able to assist in providing some of the school supplies your child may need. Keep in mind that due to the large number of families requesting this assistance the supplies get depleted very quickly. It is advised that you contact the community agencies as early as possible. The Jeffco Action Center located at 8755 West 14<sup>th</sup> Avenue in Lakewood puts together packets of school supplies every year. Their office is located on the corner of 14<sup>th</sup> Avenue and Colfax. Their telephone number is (303) 237-7704. Every school year The Bridge Church puts together some backpacks filled with school supplies for students in need. Again, supplies are limited so please let your child's counselor know of their need at registration.

## FEE PAYMENT FOR THE 2019-2020 SCHOOL YEAR

Beginning on Monday, July 29, 2019, fee payment for your student can be made online through Jeffco Connect. You may make payment for the 2019-20 school year with your debit or credit card (Visa, MasterCard, American Express, and Discover are accepted).

To access Jeffco Student Fee Payment, go to our school's home page and click on the Jeffco Connect link, or go to the Parent Portal at [www.jeffcopublicschools.org](http://www.jeffcopublicschools.org). Once you are logged into Jeffco Connect, click on the "Jeffco Student Fee Payment" link on the left side. Help guides are available on the page. A receipt will be sent via e-mail confirming your payment. For fee payments made by parents beginning July 30<sup>th</sup>, for the 2018-19 school year, no convenience fee will be charged.

If you do not wish to take advantage of the online system, fee payment can be made at the school during August registration.

## CALCULATORS

**Students require calculators for ALL math classes at BCHS. All students are required to complete courses through Algebra II. You may want to consider higher level requirements when investing in a calculator.**

### Algebra I & Geometry

**A scientific calculator with trig functions sin, cos, and tan (approximately \$10.00).**

### Geometry Honors and higher

**A graphing calculator such as the TI-83 Plus, T-84 Plus or TI Inspire (approximately \$90.00).**

**Graphing Calculators are available for rent from the school at a cost of \$25.00 per year, for students enrolled in Algebra II or higher. The fee is waived for students on free and reduced lunch.**

## 2019 – 20 Online Registration and Schedule Release

Bear Creek HS will be utilizing an online process for releasing student schedules and fees payment for the 2019 - 20 school year.

**If you need to enroll your student** at Bear Creek for the '19 – '20 school year, please call the school at 303-982-8855 and ask to speak to the registrar in the counseling office. You will need to come in for a face-to-face enrollment session. This is for students **new to Bear Creek**.

**July 30<sup>th</sup>** – Online fees payment system opens

**All fees need to be paid by August 15th online or in person.**

**August 2<sup>nd</sup>** – Schedules released through the portal for students and parents to view

**August 6<sup>th</sup>: 8 am – 12pm or August 7<sup>th</sup>: 11 am – 3pm \*\*\*OPTIONAL\*\*\***

For parents/guardians or students who need additional help, we will have walk-in help with:

- Schedule change requests – **\*\*See policy below\*\***
- Fees payment – financial office staff available
- Parent Portal help – office staff available to help

### **Schedule change policy:**

Students can request a schedule change for the following reasons:

- Placed in the wrong level or level change needed
- Do not meet the prerequisite or failed the prerequisite
- Already took and received credit for the class
- Need more classes to meet graduation requirements
- Warren Tech scheduling issue

If your request does not meet the above criteria, you will need to fill out an appeals form, which will be available in the counseling office on the first day of school.

These requests can be made in person during the open time on 8/6 or 8/7 OR students can **submit a request for a schedule change online with the following form:** <https://forms.gle/x8Coru8vYEGMCjvH6>

**Requests to drop AP classes** must be done in person during the walk-in times on 8/7 or 8/8. Please contact Ms. Minnott at [ominnett@jeffco.k12.co.us](mailto:ominnett@jeffco.k12.co.us) if you can't make the walk-in times.

**Student ID pictures, locker assignments and parking passes** will all be done during the first full week of school. You can begin the **parking pass process** by going to the Bear Creek website under the Students section and filling out the Google form.

## **DRESS CODE**

### **Hat Policy Revision 19-20**

#### **Revised Language:**

Students are expected to dress appropriately to attend Bear Creek HS. If a student's dress or appearance is determined to be disruptive, offensive, inappropriate, unsafe, vulgar or unhealthy, promotes discrimination, or promotes gang affiliation or activity, the student will be asked to correct the questionable dress and may be assigned disciplinary consequences.

Inability to remedy the situation may result in parent contact and the student being sent home. Refusal to comply with such request may result in suspension for insubordination.

Our Dress Code includes the following:

- Hats may be worn inside hallways and common areas, so long as they meet the expectations outlined above. The ability to wear them in instructional and non-common areas is left to the discretion of individual teachers and staff and may vary. Students are expected to abide by norms and requests set forth by teachers and staff at all times.
- Hoods are not allowed at any time inside BCHS during school hours (6:30am-4:00pm or otherwise instructed).
- Bandanas may not be worn or displayed.
- Any manner of grooming or apparel, including clothing, jewelry, hats, emblems, and badges which by the virtue of color, arrangement, trademark, or other attribute is associated with or denotes membership in or affiliation with any gang or group which advocates drug use, violence or disruptive behavior will not be allowed in school buildings or on school grounds, at school-sanctioned activities and events, or while being transported in school approved vehicles.
- Students must wear shoes.
- Chains, spikes or pointed studs are not permitted.
- Undergarments should not be showing.
- Clothing identified with gang association/affiliation may not be worn at BCHS or school events.
- Students may not wear clothing that reveals chest cleavage, mid-drifts or buttocks.
- All shirts/tops must have straps and not have cutouts.
- Shorts and skirts must be an appropriate length and remain at that length throughout the day.
- Decisions regarding the appropriateness of student dress will be at administrator discretion, including color restrictions if necessary.

### **IMPORTANT INFORMATION ON SCHEDULE REQUESTS AND CHANGES**

#### **Students and Parents Please Read:**

Counselors and administrators make every effort to honor your student's scheduling requests. Your student should be enrolled in 7 classes as a freshman, 7 classes as a sophomore and at least 5 classes as a junior or senior. Freshman and sophomores must have 7 classes including Study Hall; **these are not optional**. Please review your student's schedule and ensure that all core and required classes (such as English, Social Studies, Science and Math) are listed. If there are problems with your student's schedule, please read the following information on scheduling changes. If you have any further questions or concerns, please have your student contact his/her counselor after school begins.

#### **Schedule Change Policy:**

Schedules will **ONLY** be changed for one of the following reasons:

1. Placed in the wrong level or level change needed.
2. Do not meet the prerequisite or failed the prerequisite.
3. Already took and received credit for the class.
4. Need more classes to meet graduation requirements.
5. Warren Tech scheduling issue.

Schedules **WILL NOT** be changed for the following reasons:

1. You changed your mind about a class that you requested.
2. You want a different teacher, class period or lunch.

If schedule changes are made, students will be placed in the section with the smallest number of students and therefore teacher and period requests will not be honored. **Students may not have their electives in the semester of their choice.** This is unavoidable due to class availability.

## FROM THE NURSES OFFICE

As summer comes to a close, please consider making an appointment with your physician to get a jumpstart on health plans, such as asthma or allergy plans, immunization compliance, and sports physicals.

Please note that a physician is required to fill out the medication agreement to keep any medications at school- in the health room **OR** self-carry.

You can visit the BCHS website for information regarding:

- Medications agreements to keep meds at school
- State asthma or allergy plans
- Immunizations- State standards & info
- Immunization Exemption Form

Please reach out to me for any questions or concerns at [Kristen.stoll@jeffco.k12.co.us](mailto:Kristen.stoll@jeffco.k12.co.us)

Thank you,

## FOOD AND NUTRITION SERVICES INFORMATION

### Annual Reminders (no change):

- An application for Free & Reduced meals must be resubmitted **every school year on or after July 1**. Applications submitted prior to July 1 are considered 2018-19 applications.
- Families will still utilize SchoolCafé to submit online applications, which is the highly preferred method of application. The FNS Central Office, located in Quail Building 1, is available year-round to assist families with the online application process. As a last resort, paper applications are available as well.
- Student account balances (both positive and negative) will roll over to next school year. Families who wish to make online payments will still utilize SchoolCafé.
  - Refunds may be requested at each school cafeteria, or at our Central Office.
- SchoolCafé will be down for annual maintenance and enhancements for next year from May 25 – June 30, 2019.
  - Families can obtain account information from the FNS Central Office during this time.
  - Call 303-982-6748 or email [JeffcoSchoolFood@jeffco.k12.co.us](mailto:JeffcoSchoolFood@jeffco.k12.co.us)
- FNS will offer Summer Food Service Programs at eight locations this year, plus the mobile bus. More information is available here: [Jeffco FNS Summer Food Service Program Locations](#)

### NEW in School Year 2019-2020:

- SchoolCafé will include new functionality for families, including viewing menus and setting purchase preferences/restrictions for their students.
  - Jeffco FNS will no longer be using Nutrislice for online menu viewing; parents who have the Nutrislice app downloaded will NOT see updated menus for 2019-2020.
  - We will provide instructions for creating an account and accessing all features of SchoolCafé this summer.
- On April 25, 2019, the Expansion of the Lunch Protection Act (HB19-1171) was passed! This means that the \$0.40 copay for reduced-priced lunch meals will be covered for students in ALL grades. (Currently, the copay is only covered for PK-8<sup>th</sup> grade students.)
  - Reduced-eligible students will receive *both* breakfast and lunch at no cost at all grade levels.

## Jeffco 1:1 Technology Initiative at Bear Creek High School

As you may have heard, Jeffco is moving forward with a district-wide 1:1 learning device program starting in the 2019-2020 school year. For those parents of 9<sup>th</sup> grade students for the 2019-2020 school year, we wanted to share details about what the roll out of this program will mean for your family.

Beginning next school year, each Jeffco student entering 5<sup>th</sup> and 9<sup>th</sup> grade will receive a NEW Lenovo 300e touchscreen Chromebook as their district 1:1 learning device. These devices are being rolled out in phases next year and our students at Bear Creek High School will receive devices in January 2020.

Students will keep this device for the next four years to customize and enhance their learning at school and at home. This implementation process will continue for the next four years until all 5<sup>th</sup>-12<sup>th</sup> grade students in Jeffco have district 1:1 learning devices.

These 5<sup>th</sup> and 9<sup>th</sup> grade students\*\* will pay a \$50/year "Personalized Technology Use Fee." This fee, combined with funding from the 5A mill levy override, helps to cover costs associated with the district 1:1 program including the device and protective case, digital learning tools, internet filtering, bandwidth, and additional support.

We will communicate details about distribution with our start of school communications. If you have questions before then, you may direct them to our School 1:1 Project Lead, Jose Martinez III ([joamarti@jeffco.k12.co.us](mailto:joamarti@jeffco.k12.co.us)). Thank you and have a great summer!

For more information on the Jeffco 1:1 Initiative, please visit:

[https://www.jeffcopublicschools.org/academics/curriculum/technology\\_in\\_the\\_classroom/1\\_1\\_technology\\_in\\_schools](https://www.jeffcopublicschools.org/academics/curriculum/technology_in_the_classroom/1_1_technology_in_schools)

\*\* 10<sup>th</sup>, 11<sup>th</sup>, and 12<sup>th</sup> grade students in the 2019-2020 school year will NOT pay the \$50/year fee. Instead, they will pay our normal \$25 "Technology Fee."

## KEEPING OUR CHILDREN SAFE

### Statistics:

- An estimated 160,000 children miss school every day due to fear of attack or intimidation by others.
- 76.8 percent of students in one study stated they had been bullied and they had experienced severe reactions to the abuse.
- A survey conducted by the American Association of University Women reported that 85 percent of girls and 76 percent of boys have been sexually harassed in some form.

These numbers are alarming and with the latest generation the ability to utilize technology has expanded the reach for abuse in what we now call **cyber bullying**. It has been estimated that approximately 20 percent of children 11-18 years have been a victim at some point of their life. The effects are devastating leading to depression, anxiety and low self-confidence. Some cyber bullied youth have also reported suicidal thoughts. In addition to the cyber abuse sustained by their peers the possibility for victimization by sexual predators is real. While access to the internet can provide children with important learning experiences the internet provides access to large numbers of children and allows the sexual predator to remain anonymous. Results of a recent national survey have indicated one in five youth is sexually solicited over the internet. Given the potential dangers of children's internet usage, and other media sources such as instagram and snap shot, the following strategies are offered for parents in keeping their children safe.

1. Talk with your adolescent about the potential hazards of online sexual solicitation and the risks associated with internet communication with strangers.
2. Discuss the dangers of face-to-face contact with someone met online.
3. Teach your child to avoid sending personally identifying information (e.g. real name, address, school, telephone number, photos) via the internet.
4. Encrypt your wireless home network.
5. Discourage your child from downloading games and other media which could contain Trojan and worm programs that enable remote access to computers by unauthorized users.
6. Supervise/monitor internet friends in a fashion similar to how neighborhood and school friends are monitored.
7. Set the internet browser (e.g. Internet Explorer) security feature to "high".
8. Place the computer in a public location such as a family room as opposed to a child's bedroom.
9. Monitor the amount of time your child spends online and frequently check the computer's Web browsers, which provide information on the websites that have been accessed.
10. Contact the Cyber Tip Line at (800)843-5678 or [www.cybertipline.com](http://www.cybertipline.com) if you suspect an online predator has contacted your child.
11. Safetyweb.com also offers parents the ability to monitor the websites their child has visited as well as any phone number not on the "most called" list. They do charge a \$10 monthly fee for the service. The cost for a year is \$100.
12. Periodically check your adolescent's phone to check their apps; not all apps are legitimate or safe. You might also want to view the saved memories on snapshot.

\*The Principal shall grant a waiver for students eligible for free or reduced lunch under the National Income Poverty guidelines. If other hardship conditions exist, the Principal should be contacted.

\*\*This class fee DOES NOT include the AP Exam fee and/or textbook fee.

\*\*\*Additional band/choir fees may apply for uniforms, dress clothes, instrument rental, etc. as determined by the Performing Arts department.

Colorado State Law (CR 22-32-117) allows the Board of Education to authorize the collection of fees. Jeffco Board policies JQ and JJD provide details about mandatory versus voluntary fees and waiver of fees.
