Independent Contractors vs. Permit Holders

The Allied Gardens Recreation Center offers a variety of programs for the youth which are provided through the means of three different sources; in-house programs (run by city staff), contractual programs and rental programs. Contractual programs consist of independent contractors that have been approved by the Allied Gardens Recreation Council as a sponsored program. Rental programs are commercial companies that rent out the facility to offer their programs and activities for the community. Please see below for specified requirements:

Requirements for Independent Contractors:

All contractors, sub-contractors and volunteers must be finger-printed through the City of San Diego Live Scan Process. Contractors must submit a business license and proof of insurance. City staff handles all registration for the program. Contractors must provide Worker's compensation coverage for all their employees.

Requirements for Permit Holders/Rental Programs:

Must provide proof of insurance plus endorsement page/s. Must provide own advertisement for program. Handles all registration for their programs. Rental programs are **NOT required to submit proof of fingerprinting** for their coaches, volunteers and/or instructors.

All City of San Diego parks and beaches are smoke free.
