

What to Pack for College Checklist

In an effort to better assist you with your transition to residence life at UNT, we have put together this checklist to help brainstorm on what to bring to college. The Department of Housing and Residence Life is not trying to say that this is a list of every single thing you will need when you arrive, but please do use it as a tool to make sure that you do not forget the little things that you currently use in your daily life for when you arrive on campus.
