

## Aurora Pharmacy Prescription Savings Club

Doctors want the best for their patients. That means providing the safest and most effective medications. Cost matters too. Studies show that high drug costs are a major roadblock to medication use for patients with chronic medical conditions. Some people are forced to choose between filling prescriptions and basic living expenses, such as rent, groceries or heating bills.

### **\$3.99 prescriptions make a difference**

Our \$3.99 prescriptions save you money. With increasingly high copayments, for many people, this might be the only way to afford lifesaving medications.

**Our \$3.99 price covers hundreds of prescriptions.** That includes medicines for a wide range of conditions and diagnoses. This list is a quick-reference tool that will help you find the specific medications you're looking for. This listing is subject to change and restrictions apply. For the latest information, please visit [AuroraPharmacy.org](http://AuroraPharmacy.org).

### **More cost savings with the 90-day prescription option**

For those taking regular medications, our 90-day prescriptions mean convenience, as well as additional cost savings and fewer trips to the pharmacy. And, at \$9.99 for a 90-day prescription, you save even more compared with a 30-day prescription.

#### **Key**

\* \$6.99 30-day supply

\* \$24.99 90-day supply

**Revised 07/13/2017**

# Aurora Pharmacy Prescription Savings Club

## Terms and Conditions

1. The Aurora Pharmacy Prescription Savings Club is not an insurance program, a Medicare prescription drug plan or health insurance policy. The Prescription Savings Club is a prescription drug buying program for individuals who have no prescription drug coverage, or insufficient drug coverage. Persons receiving benefits from a publicly funded health care program are ineligible for the Prescription Savings Club program. As a participant, you are entitled to discounts on certain prescription drugs at any Aurora Pharmacy. The Aurora Pharmacy Prescription Savings Club does not entitle you to any discounts or benefits at any other pharmacy and may not be used in conjunction with insurance, other discount programs, or other prescription benefits. Club benefits are subject to change, modification or substitution without notice.
2. The savings club applies only to certain drugs at commonly prescribed dosages. You may obtain a list of the generic drugs covered under the savings club at any Aurora Pharmacy or at **AuroraPharmacy.org**. Not all formulations of a drug are covered under the savings club.
3. Savings club members must pay an annual enrollment fee of \$5 upon fulfillment of the first prescription under the savings club. No refunds will be made after the first prescription is fulfilled using the savings club. Membership is non-transferrable. Only active members of the savings club may participate. Under the savings club, \$3.99 is the price for up to a 30-day supply of certain covered generic drugs at commonly prescribed dosages. \$9.99 is the price of a 90-day supply of certain covered generic drugs at commonly prescribed dosages. **Certain generic drugs indicated with an asterisk(\*) will be specially priced ranging from \$6.99 for a 30-day supply up to \$24.99 for a 90-day supply.** Prices are subject to change.
4. Prescriptions must initially be filled in person and there are no substitutions.
5. You understand that your prescription medications are dispensed only in accordance with the order of your physician or other health care provider. Membership in this program does not alter or affect your ability to obtain prescription medication or your responsibility to use prescribed medication in accordance with the directions of your physician or other health care provider and your Aurora pharmacist.
6. We are dedicated to keeping your health information private, in accordance with federal and state law, as required by the federal Health Insurance Portability and Accountability Act of 1996 (HIPAA). Please see your pharmacist for more information about the privacy of patient health information.
