

Downloading illustrations from the Freepik website

Freepik is a website that offer free vectors, PSD, and ICON, but there is little **caveat**: the person who uses it must provide credit or source to the image used.

Check copyright issues at <https://www.freepikcompany.com/copyright>

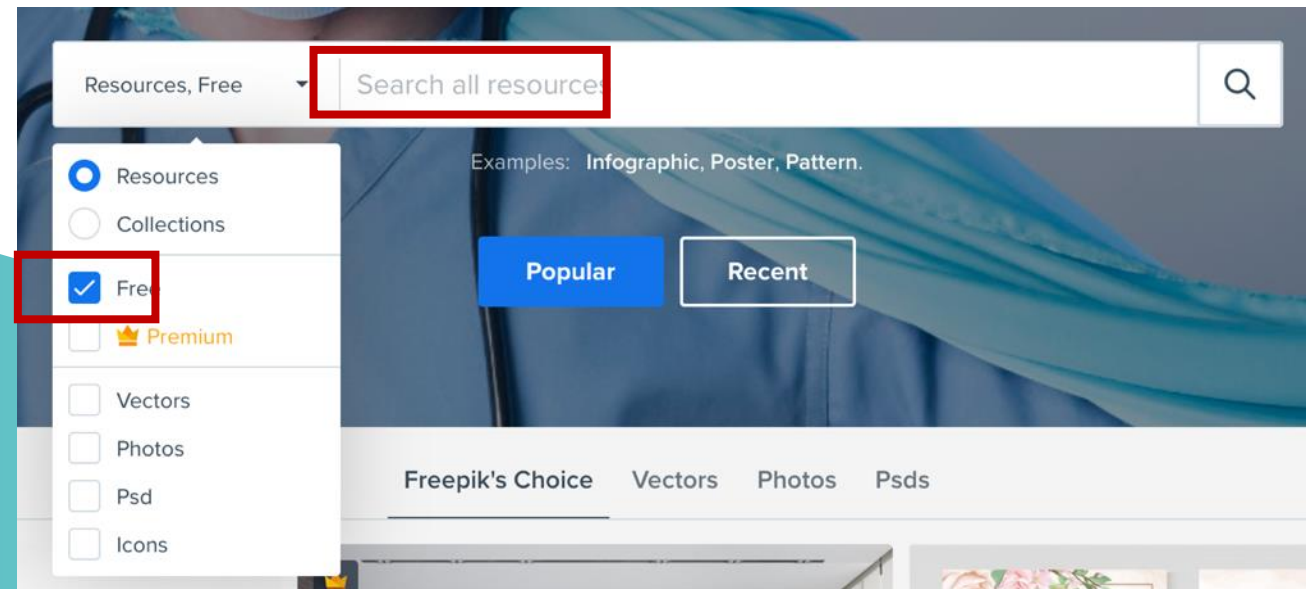

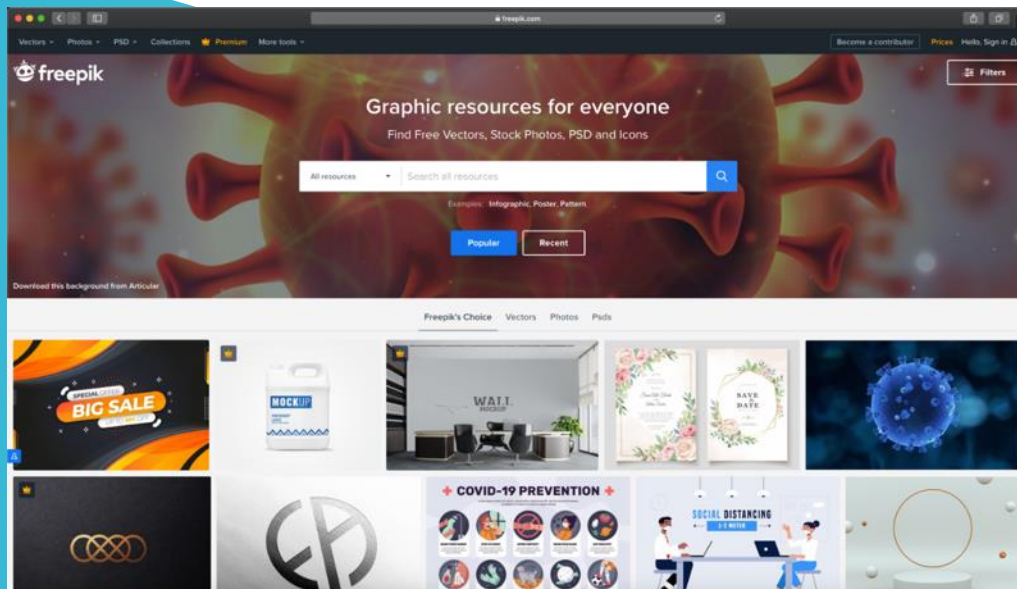

Procedures for use

Go to www.freepik.com. if on your mobile phone, you can also download items using app safari or google chrome on your phone.

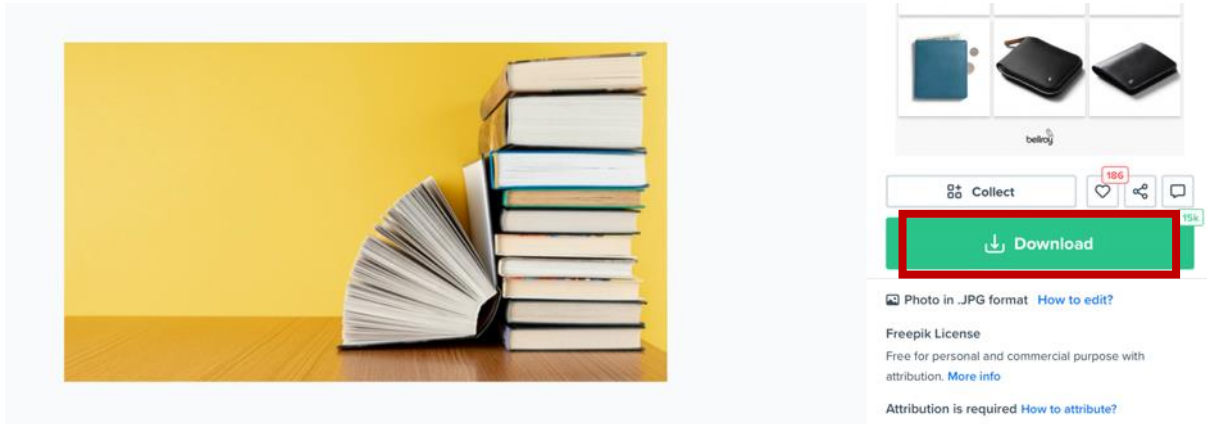

The process of accessing a Website is like on a computer.

Enter a search term to find the image you want.

Then, select 'Free' to limit the search to images that can be used free of charge.

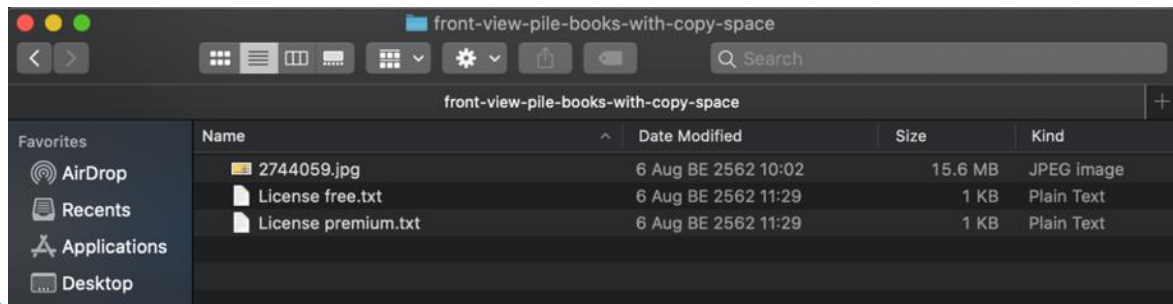

Select the image and press Download.

Once the file has been downloaded, it will be a .zip file.

Extract the file first, and then, in the folder, there will be an image that we want.

And don't forget to credit where the images are taken.

Sign up for a subscription, or Sign in, if you've an account

When the download exceeds the amount, Freepik will ask you to sign in to continue downloading images.

Therefore, it is recommended that the students sign in before downloading. You can choose to subscribe by e-mail account, or a google or Facebook account.

Freepik Premium offers exclusive **vectors**, **photos** and **PSD** files for your projects with following features:

- **Unlimited downloads**
As a Premium member, you'll be able to download as many resources as you want. ⓘ
- **No attribution**
Use any resource either for commercial or personal use without crediting the author.
- **Priority support**
Premium requests are considered of the highest priority and processed first.
- **No ads**
Focus on your work and browse Freepik without any ads.

Downloading illustrations from Pixabay

Pixabay is a free-to-use image web, just like Freepik, but there are wider selections with more flexibility of usage terms. But what is strictly forbidden is that the images are not resale.

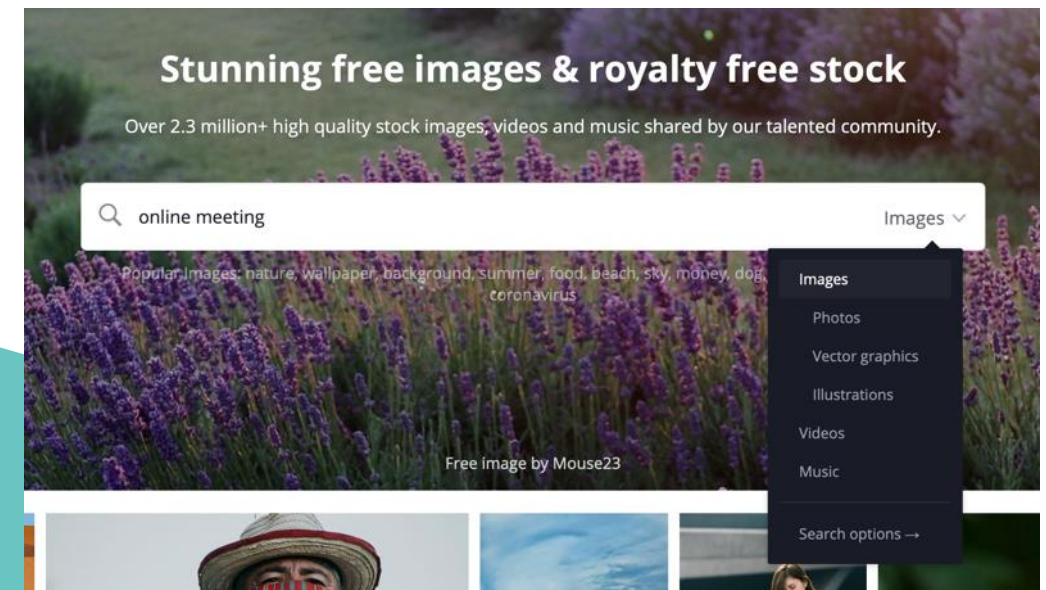

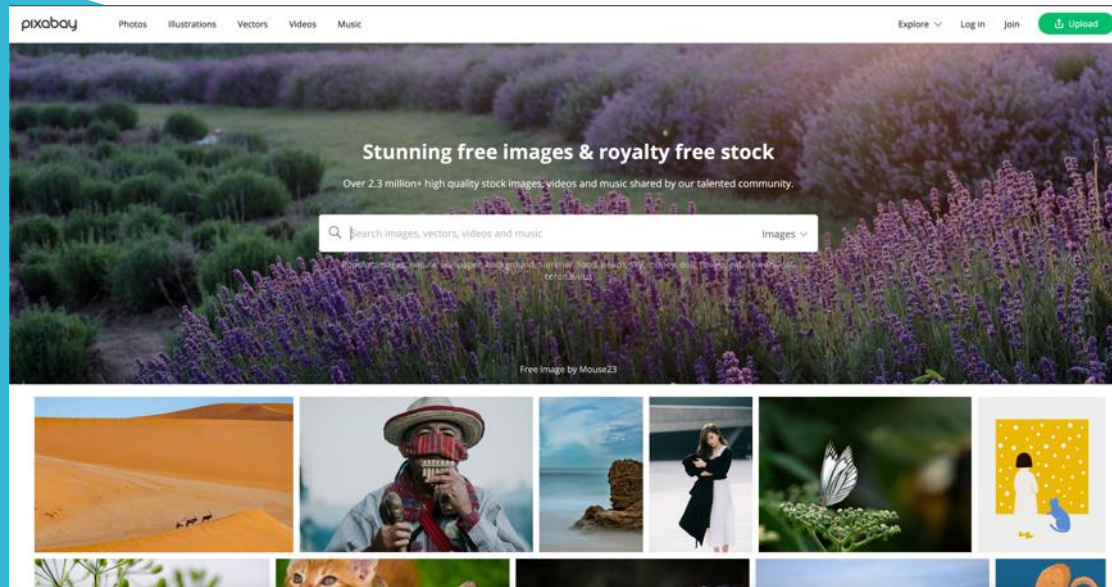

Procedures for use

Go to <https://pixabay.com> if on your mobile phone, you can also download items using app safari or google chrome on your phone. The process of accessing a Website is like on a computer.

Enter a search term to find the image you want.

You can select which image you want to search for, Be reminded to choose type of media you like: images, vector graphics, illustrations, videos, or music.

Select the image and press Download.

Downloading illustrations from Unsplash

Unsplash is a website that compiles beautiful photos from professional cameramen. It has a lot of beautiful images and is free to use, even commercial use. There are no conditions. The page is also easy to use. The menus are laid out nice and clean.

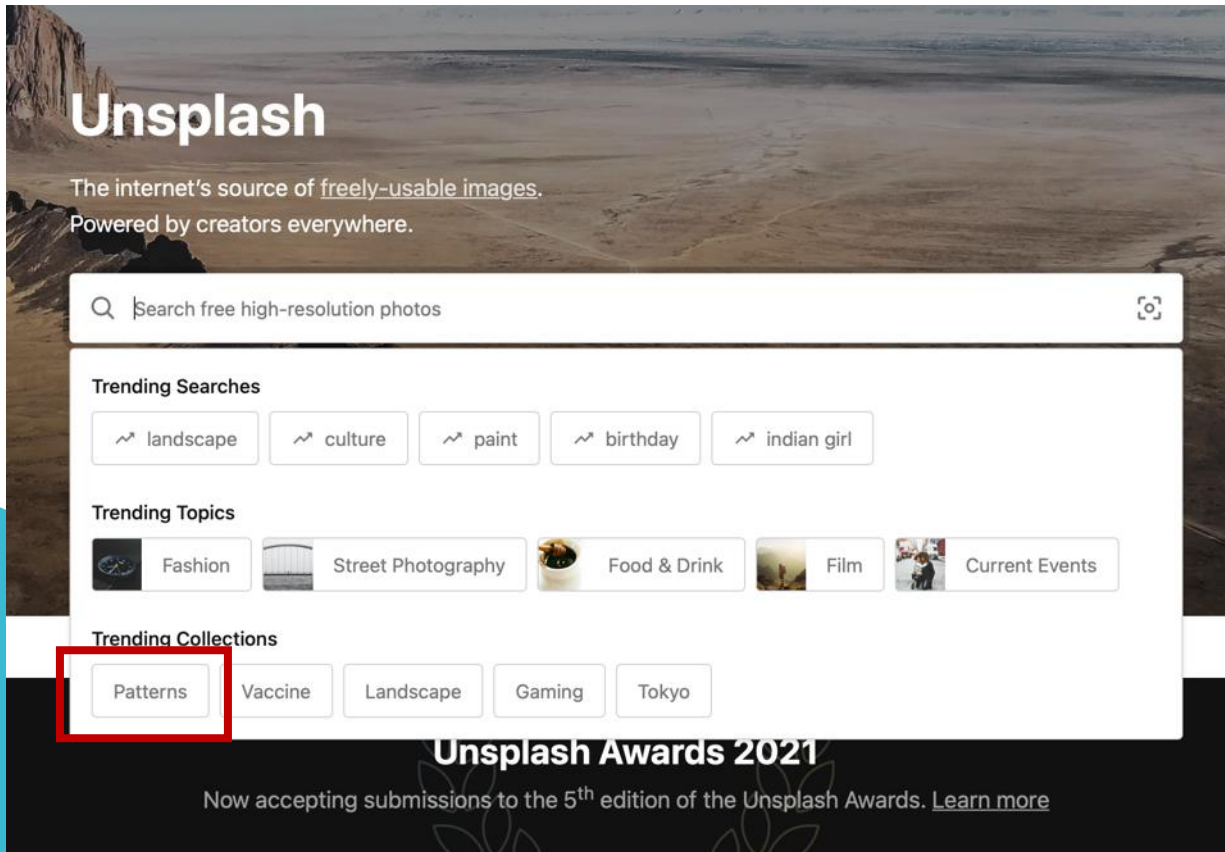

Procedures for use

Go to <https://unsplash.com> You can then register to log in via e-mail or Facebook account.

A screenshot of the Unsplash login page. The page features the Unsplash logo at the top, followed by the word "Login" and the text "Welcome back.". Below this is a blue button with the Facebook logo and the text "Login with Facebook", which is highlighted with a red rectangular border. Underneath the button is the word "OR". There are two input fields: "Email" and "Password". The "Email" field has a small eye icon on the right side. To the right of the "Password" field is a link that says "Forgot your password?". Below the input fields is a black button with the text "Login". At the bottom of the page is a link that says "Don't have an account? [Join](#)".

Enter key words to find the image you want.

You can choose 'Trending searches' that compiles images that are trending to inspire your image.

- Pink and blue abstract pattern

Click 'Download' to download the image instantly.

Click the DOWN ARROW. You can choose the size of the image you want. Once the image is downloaded, it will be saved on a computer without a zip file, the image is ready to be used.

Download photos and videos with Pexels

Pexels provides a free photo and video library of high quality and is licensed under Pexels, all of which are well tagged and easy to discover

Procedures for use

Go to <https://www.pexels.com> Then go to Join in the upper-right corner and choose whether to download the work or send it to others, and then sign up to log in.

The screenshot shows the Pexels website interface. At the top right, the 'Join' button is highlighted with a red box. Below the main navigation, there are two options for users: 'I want to download' and 'I want to contribute', both also highlighted with red boxes. The page features a search bar, a navigation menu, and a main heading: 'The best free stock photos, royalty free images & videos shared by creators.'

Download free fonts from Google Fonts

Download process

1. Visit the website <https://fonts.google.com>

The website consists of three main areas:

- **Area 1**
At the top, you can choose to search for fonts or icons and set the screen light intensity.
- **Area 2**
Filter Function is used to narrow down the selection of fonts to meet the requirements. You can choose the language, appearance, and font size.
- **Area 3**
The display of the fonts that meet search criteria.

Download free fonts from Google Fonts

2. Select the font you want to download.

Select the font by clicking on the name of the font.

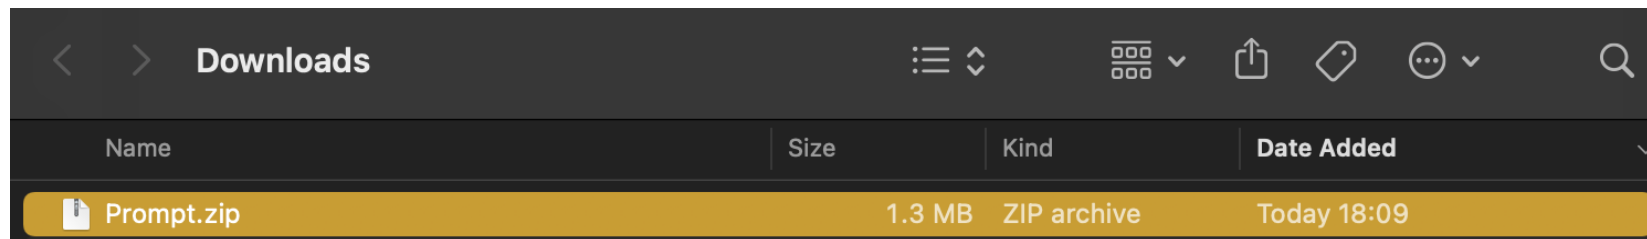

Google Fonts

Download the selected font.

All fonts can be downloaded at once by pressing the Download Family button or selecting only certain font styles by selecting the style(s) you like > and press Download all.

The screenshot displays the Google Fonts interface for the 'Prompt' font family. At the top, there are navigation tabs: 'Browse fonts', 'Icons', 'More', and 'Selected family'. The font name 'Prompt' is prominently displayed, along with the designer's name 'Cadson Demak'. Below this, there are tabs for 'Select styles', 'Glyphs', 'About', 'License', and 'Pairings'. The 'Styles' section shows a preview of the font with the Thai text 'การเดินทางกลับคงจะเหงา' and a size of 64px. Several font styles are listed, including 'Thin 100', 'Thin 100 italic', and 'Extra-light 200'. The 'Thin 100' style has a 'Remove this style' button next to it. On the right side, there is a 'Use on the web' section with options for '<link>' and '@import', and a 'Download all' button at the bottom right. The 'Download family' button is located at the top right of the font preview area.

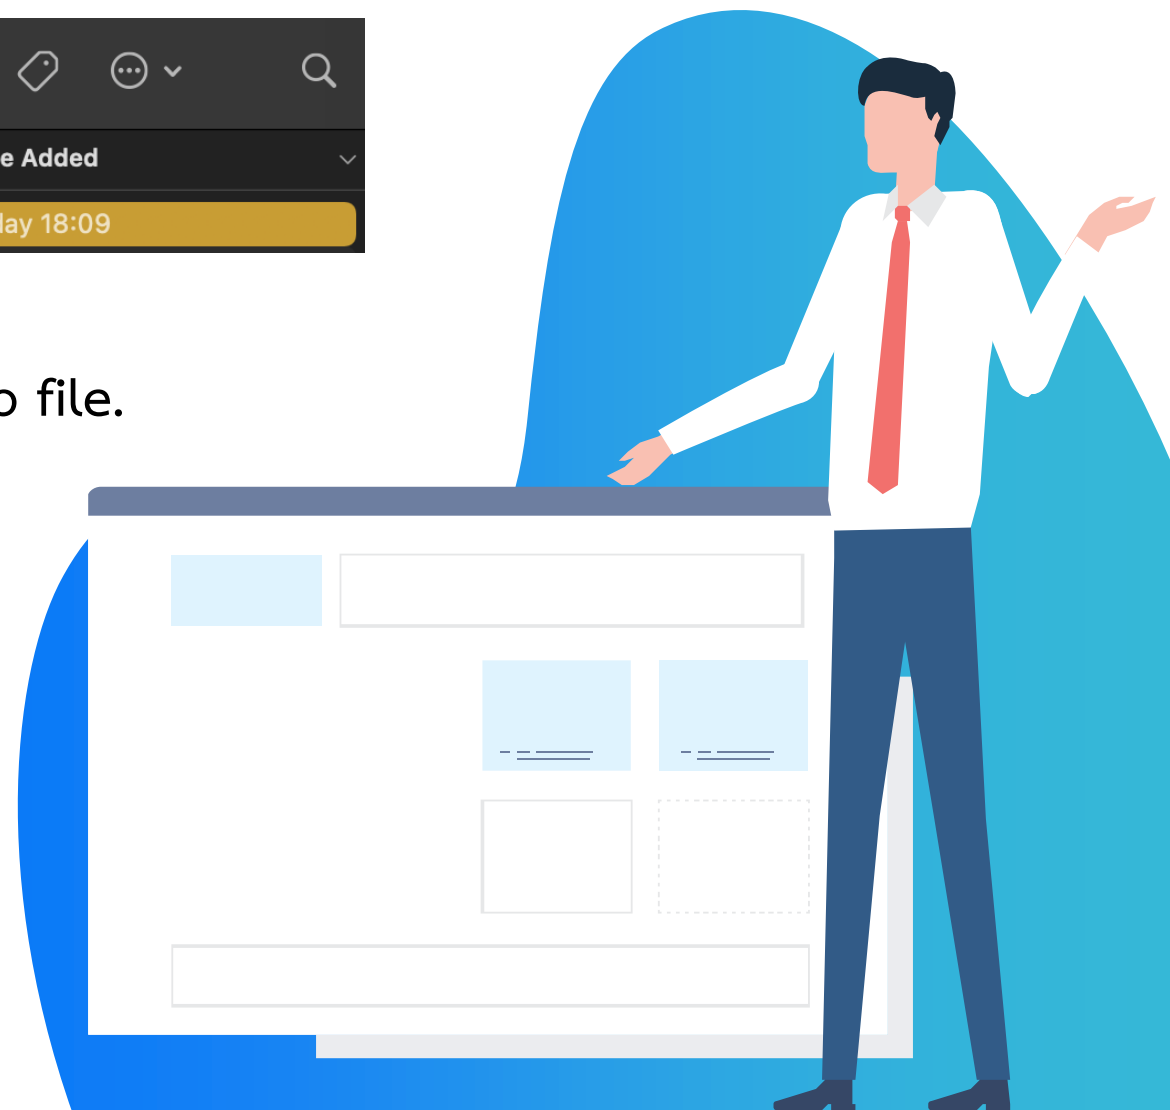

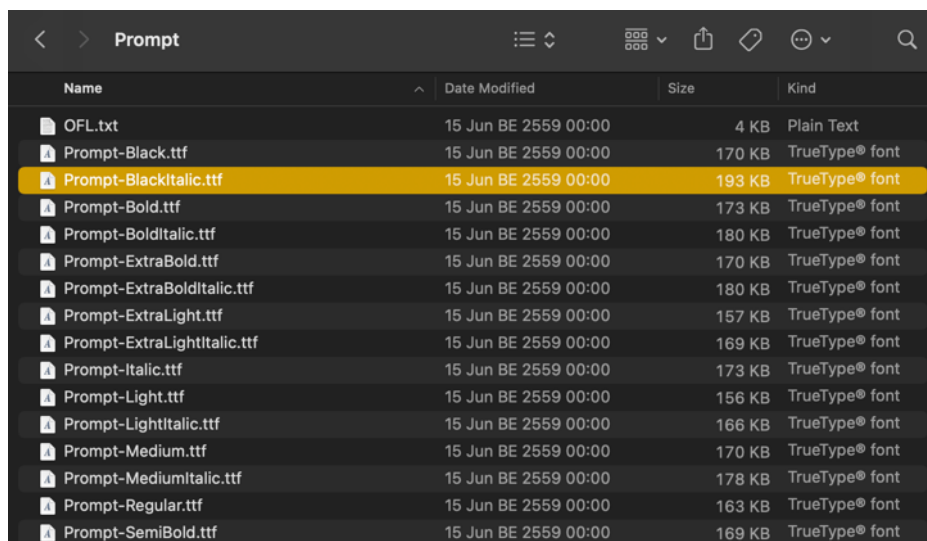

Go to the Downloads folder on your computer.

Once the file has been downloaded, it will be a .zip file.

Extract the file first, and then in the folder, you will see font files.

Double click on the font to install it to our computer.

Download free icons from Google Font

1. Visit the website <https://fonts.google.com>

Select tab Icons in the upper right. > There are four areas on the page:

SVG PNG

Downloading icons from Flaticon

Flaticon gives away icons, vectors, stickers for free. Huge selection.

Procedures for use

Go to www.flaticon.com Login or Register to download more images than general users can. You can choose to sign up via Google or Facebook.

Enter a search term to find the icon you want.

and click the icon you want. Then there will be a pop-up window. Choose download > Select the desired size. Then press download png, as Svg will cost you. Then, on the Pop-up, select Download.

The screenshot shows the Flaticon homepage with a navigation bar at the top containing 'flaticon', 'Authors', 'Icons', 'Stickers', 'Vectors', and 'More'. The main heading reads 'Access +5.0M vector icons & stickers' with a subtext 'Download free vector icons and stickers for your projects. Resources made by and for designers. PNG, SVG, EPS, PSD and BASE 64 formats.' Below this is a search bar and a 'Sign up / Sign in' overlay from freepikcompany. The overlay has 'Sign up' and 'Sign in' tabs, with 'Sign in' selected. It features 'Google' and 'Facebook' login buttons, a 'Username or Email' field, a 'Password' field, and a 'Sign in' button. A red box highlights the 'Login' and 'Register' buttons in the top navigation bar, and another red box highlights the 'Google' and 'Facebook' buttons in the registration form.

The screenshot shows the search results for 'home' icons. The search bar contains 'home' and the results are displayed in a grid. A red box highlights the search bar. Below the grid, there are filters for 'All Styles' (Black Outline, Black Filled, Multicolor, Lineal Color, Flat, Gradient, Hand Drawn) and 'Flat' is selected. A red box highlights a specific house icon. To the right, a pop-up window shows download options for the selected icon, with 'PNG' selected and a red box around it. The pop-up also shows the license information and a 'Download' button.

THANK YOU
