## Skill Guide For Swimming Lessons

The following is a guideline for enrolling your children for swimming lessons

Little Mates	Little Mates is held in the zero depth portion of the pool. This is a perfect transition from parent/tot lessons and Level 1 swim lessons. Perfect for a three or four year old.
Level 1	This is for the swimmer who is at the very beginning, is not comfortable in the water and probably the first or second time enrolled in lessons.
Level 2	Comfortable with face under water and being on their own in shallow water
Level 3	Knows reach, pull, and backstroke
Level 4	Knows front/back crawl and elementary backstroke
Level 5	Knows all strokes listed Level 4 and sidestroke and breaststroke
Level 6	Knows all strokes. Focus on distance, endurance, and fine-tuning stroke mechanics

Five 2-week sessions are offered for children 5 years old and up. Little Mates and Level 1 swimmers may be younger. Classes are limited in number and last 40 minutes. Classes are offered by WSI, Red Cross certified instructors. Due to limited space in the pool, we request you sign up for a maximum of 3 of 5 sessions. The requirements for each Red Cross class is eight lessons. If one or two class sessions are cancelled due to weather, they will not be made up.

That's Chalkfest. This event will take place Saturday, September 15, on the beautiful school campus. It's part art festival and part family-friendly fun.

## **HOW IT WORKS:**

Our school campus has large sidewalks running around the perimeter, where registered artists of all ages from the community can create elaborate, large-scale chalk artwork. Throughout the day, artists will create their work as visitors watch their drawings come to life. Participants (individuals or groups) need to pre-register to reserve a spot.

## **REGISTRATION: \$29**

Class #8200

Registration fee includes sidewalk square, chalk palette, gloves, sponges, hairspray as fixative.

Purchase a special "First Year" Chalkfest t-shirt for \$12. Must be pre-ordered. #8200-02

Additional supplies will be available for purchase should artists run out.

Space sizes are determined by the sidewalk seams. There are different sizes in various quantities.
