

The 2019 HomeCare Elite is the compilation of the most successful home care providers in the United States. Now in its 14th year, this market-leading review names the top 25 percent of agencies based on performance measures. This year, those measures include quality of care, quality improvement, patient experience, best practices implementation and financial management. The 2019 HomeCare Elite also recognizes the Top 100 and Top 500 among providers nationwide. The data for this study is based on publicly available information.
