

9. What is Gen. Washington's greatest challenge as a leader?

10. What gamble does Washington take to save his men from small pox?

11. Who does Washington recruit to change the tide of the war? What is his job?

12. How do Washington's soldiers leave Valley Forge? (How are they different from when they first got there?)

13. Who was **Culper's Gang**? How did they help the patriots during the revolution?

14. What is protecting British occupied Yorktown?

15. How many days after Washington's victory at Yorktown does it take to begin negotiating peace with the British?

(The End)
