Dear Friend of the Museum,

In 1980, my predecessor Nick Mueller persuaded his best friend and University of New Orleans colleague Stephen Ambrose to lead their first overseas tour – a trip from the Normandy D-Day beaches to the Rhine River. For the next 20 years, the duo continued to run tours while Ambrose began collecting hundreds of oral histories from D-Day veterans, including interviews with surviving members of the famed Easy Company.

Of course, the rest is history. Ambrose’s research and interviews led to best-selling books and the HBO miniseries *Band of Brothers*. Ambrose and Mueller’s passion for preserving the stories of D-Day veterans led to the idea of building a National D-Day Museum in New Orleans. And their overseas tours tracing the wartime route of the “Band of Brothers” helped raise funds for the Museum, which would open in 2000 and quickly expand its mission to include the entire war effort.

Today, the Easy Company tour remains one of our most popular travel programs and features many of those Easy Company interviews conducted by Ambrose and his team at the Eisenhower Center for American Studies. While our travel program

has expanded significantly, this journey remains core to our mission – offering rare access to sites, extraordinary guides, and quaint regional accommodations. As the authority on World War II, the Museum draws upon its collection of oral histories, photographs, and artifacts to deliver the most memorable, emotional, educational, and extraordinary travel experiences.

I hope you’ll join us on this personal journey to the beaches, bridges, cities, and villages where the legendary Easy Company fought the crucial D-Day battles and changed the course of history.

Sincerely,

Stephen J. Watson
President & CEO,
The National WWII Museum

MEMO FROM THE OFFICE OF THE REGIMENTAL COMMANDER

HISTORICAL PERSPECTIVE

EISENHOWER'S COMMAND FOR D-DAY

As the Supreme Commander of the Allies, it was up to General Dwight D. "Ike" Eisenhower to make the final decision to launch the invasion of Normandy on June 5, 1944. Due to less-than-favorable weather reports, there was serious concern amongst many within the Allied high command that casualties would be extremely high, especially among the airborne forces. Air Marshal Sir Trafford Leigh-Mallory feared that the casualty rate for these elite troops could be as high as 75%.

Ike made the decision to postpone the landings by one day, pushing D-Day back to June 6, 1944. As he gathered his team the next night for a final war council, he polled his commanders again, and again Leigh-Mallory stressed his concern of the weather conditions and the well-being of the airborne forces. Despite these warnings, Eisenhower knew the invasion couldn't be postponed indefinitely, so he made the tough decision with the words, "OK, let's go."

Upon making this historic decision, Ike made a point to go to the airfields of one unit of the 101st Airborne Division to see the men off on this perilous mission. He wanted to meet these men, many of whom he feared wouldn't survive into the next morning, face-to-face to boost their confidence, as well as his own.

THROUGH THEIR EYES

Remembering Easy Company, 506th Parachute
Infantry Regiment of the 101st Airborne

Richard "Dick" Winters began his association with the 101st Airborne Division's 506th Parachute Infantry Regiment as a platoon leader in Easy Company. By war's end, he commanded the 506th's Second Battalion, which included his old company. Although the attrition of war played a part in Winters' rapid advance through the ranks, it was his superb leadership and ability to complete tough assignments that endeared him to the men under his command. The men of Easy Company who survived the war attribute their survival to many things, and the leadership of Dick Winters is always near the top of the list.

Easy Company: England to the Eagle's Nest visits sites that Winters and his men made legendary, including Brécourt Manor where they knocked out a battery of German 105's on D-Day; "The Crossroads" in the Netherlands where they took on a force many times their size; Foy, on the outskirts of Bastogne, where they endured hell from both the Germans and Mother Nature; the site of the "Last Patrol" in Haguenau; and finally, the Eagle's Nest near Berchtesgaden where the men of Easy Company enjoyed Hitler's famous mountain retreat at the end of the war.

TOUR GUESTS IN A C-47 FLIGHT SIMULATOR AT THE DEAD MAN'S CORNER MUSEUM IN CARENTAN.

Day 4: La Fièvre, Easy Company in Normandy

Today, travel along rural lanes, past hedgerows, and over causeways to La Fièvre bridge, where elements of the 82nd Airborne fought off four days of attacks from German troops trying to retake this strategic bridge. Next, visit the historic Château de Bernaville, where a little-known event involving US paratroopers factored heavily into the Allies' D-Day success. Next, travel to Beuzeville-au-Plain to view the monument to Lt. Thomas Meehan's downed C-47, and hear his story. After an included lunch during your visit to the Normandy Victory Museum, learn the story of Easy Company at the important town of Carentan, which linked the Utah and Omaha Beach forces. End the day's touring at the Dead Man's Corner Museum and with a visit to the church at Angoville au Plain. A shuttle to Bayeux is provided this evening for guests to enjoy dining independently at one of this town's many quaint cafés.

Accommodations: Le Manoir De Mathan (B, L)

Day 5: Pointe du Hoc / Omaha Beach / Normandy American Cemetery

On the final day in Normandy, touring is devoted to the ground troops who came ashore in the Omaha Beach area. First, visit Pointe du Hoc, where Army Rangers faced tough odds coming ashore and scaling the imposing 100-foot cliff. Next, visit Dog Green Sector of Omaha Beach. A Company, 1st Battalion, 116th Infantry of the 29th "Blue and Gray" Division landed at "H- Hour" on D-Day. A 250-meter stretch of beach untouched by preliminary bombardments lay in front of them, and they could clearly see German bunkers in the distance. Within 15 minutes, A Company was reduced from an assault company to a small rescue party. These events inspired the opening scenes of *Saving Private Ryan*. After an included lunch overlooking Omaha Beach, spend the afternoon at the Normandy American Cemetery, where more than 9,000 Americans are laid to rest in the ground they helped liberate. Guests will be given time to walk the grounds, visit the small museum, and remember the sacrifices made here. Reflect on the day's touring during dinner with the group this evening.

Accommodations: Le Manoir De Mathan (B, L, D)

VIEW OF AMIENS DEWAILLY CLOCK AND THE CATHEDRAL OF OUR LADY OF AMIENS, AMIENS, FRANCE.

Day 6: Normandy to the Netherlands

Bid farewell to Normandy and head to The Netherlands. Along the way, view episodes from the *Band of Brothers* miniseries. Stop in picturesque Amiens, France, a city along the Somme River. Enjoy lunch and independent exploration, with time to visit the Amiens Cathedrals, the tallest complete cathedral in France, and a UNESCO World Heritage Site. Relax on the coach this afternoon. An included dinner at the hotel greets you upon arrival in Eindhoven.

Accommodations: Hotel Pullman Eindhoven Cocagne (B, D)

Day 7: Eindhoven / Arnhem / Nijmegen

In September 1944, the Allies launched Operation Market Garden, a daring airborne operation meant to secure crucial Rhine River crossings and advance into northern Germany. Although it ultimately failed to achieve its objectives, the determination and courage shown by the airborne troops and the units that assisted them made

Market Garden one of World War II's most famous battles. During today's tour, visit the actual battle sites where Easy Company fought and learn how the 101st Airborne fit into Operation Market Garden at Nuenen, Zon Bridge, and Logtenburg. After lunch, visit Schoonderlogt Farm to see where Dick Winters led the attack at "The Crossroads," the subject of Episode 5 of *Band of Brothers*. Near Arnhem, members of the company helped rescue more than 100 British airborne troops who were stuck behind enemy lines across the Rhine during Operation Pegasus in October 1944. The touring day ends in Nijmegen and "A Bridge Too Far" before returning to Eindhoven where guests enjoy an evening at leisure.

Day 8: Netherlands American Cemetery / Journey to the Ardennes

This morning, guests may choose to take a guided walking tour of Eindhoven, explore the area independently, or relax at the hotel. The optional morning tour includes details on the actions that occurred around Eindhoven, with visits to the Joe Mann Memorial and the Robert Cole Memorial. After lunch at leisure, visit the Netherlands American Cemetery in Margraten – the only American military cemetery in The Netherlands. A unique aspect of this cemetery is its connection with the Dutch people. Since 1945 members of the local community have adopted the grave sites of the American fallen. They bring flowers to the cemetery and research the life of the service member they adopt as a way to honor their sacrifice. After paying respects to members of Easy Company who are buried there, continue to the medieval market town of Clervaux, Luxembourg, in the heart of the Ardennes. Along the way, the tour guide presents an overview of the Battle of the Bulge – Hitler’s last-ditch effort to defeat the Allies in the west, and the largest land battle fought by the US Army in World War II.

Accommodations: Hotel International (B, D)

Day 9: Battle of the Bulge / Bastogne / Bois Jacques

This day is dedicated to the heroic defense of the besieged crossroads town of Bastogne as depicted in *Band of Brothers* Episode 6: “Bastogne,” along with today’s visits to the Mardasson Memorial, a monument honoring the memory of the American soldiers wounded or killed during the Battle of the Bulge. Next, a visit to the Bastogne War Museum provides insight into the experiences of the troops during the harsh, cold winter of 1944 - 45. In the Bois Jacques forest, guests may choose to climb in the foxholes that provided some shelter to Easy Company. Tour Bastogne Barracks, where on December 22, 1944, Gen. Tony McAuliffe of the 101st gave his famous reply of “NUTS!” to the Germans’ request that Americans surrender the encircled town of Bastogne. Free time in Bastogne is also provided during the day for lunch – and perhaps some shopping for Belgian chocolates. The evening is at leisure.

Accommodations: Hotel International (B)

Day 10: Luxembourg American Cemetery / Haguenau

Before departing the Ardennes, the final stop is at the Luxembourg American Cemetery and Memorial, where guests visit the graves of Easy Company members and of Gen. George S. Patton. Continue to Haguenau for lunch and then walk the “Last Patrol” of Easy Company, where they held fast against Operation Nordwind, the last major German offensive of the war in the west, for more than a month. Visit the MM Park (Musee Militaire), a new museum with an impressive collection of tanks and other large artifacts of the era. Arrive in Stuttgart this evening and enjoy dinner and exploration on your own.

Accommodations: Maritim Stuttgart (B, L)

Day 11: Dachau / Zell Am See

Located ten miles northwest of Munich, the Dachau Concentration Camp was established in 1933 to hold political prisoners. Throughout the rest of the 1930s, the camp grew to hold Jews, Roma, Slavs, and more groups deemed unworthy by the Nazis. In 1943, as war raged across the continent, the Nazis constructed more than 150 subsidiary camps near Dachau where prisoners were often worked to death. The terrible conditions in Dachau and throughout the subsidiary camps led to a widespread typhus epidemic by the end of 1944, as the Allied armies were preparing to enter Germany. When the first American troops approached the camp in April 1945, the sight of the prisoners and the living conditions tested even the most battle-hardened soldiers. Episode 9 of the miniseries portrays Easy Company discovering one of Dachau’s subsidiary camps at Landsberg. After discussing why World War II was fought, the group heads to the Bavarian Alps, as Easy Company did, for the final chapter of the journey.

Day 12: Berchtesgaden

On the final day of touring, guests take in the spectacular views from Hitler’s Eagle’s Nest, captured by Allied forces in May 1945. A gift to Adolf Hitler for his 50th birthday in 1939, Eagle’s Nest was funded by Hitler’s inner circle. Legend says that Mussolini gifted the fireplace to the project. Although a fortune was spent to build the perch, Hitler only made 14 official visits. Return to Zell Am See and reflect on the journey during a farewell dinner at the hotel, overlooking the lake featured in the final scenes of *Band of Brothers*.

Accommodations: Grand Hotel Zell Am See (B, L, D)

Day 13: Zell Am See / Munich

Early this morning the entire group transfers together to the Munich Airport (MUC) for individual flights home.* (B)

The National WWII Museum's Road to Victory brick program honors the WWII generation, the American heroes who served during the war, and their families. The goal of our program is to celebrate the American spirit while forging a link between the present generation and the generation that fought to secure our nation's freedom during World War II. Therefore, the Museum reserves the right to deny requests for inscriptions that might be considered offensive or inappropriate to those who sacrificed during the WWII era, or messages that do not align with the Museum's mission, which is to tell the story of the American experience in the war that changed the world—why it was fought, how it was won, and what it means today—so that all generations will understand the price of freedom and be inspired by what they learn.

The Museum accepts no liability for the purchase of nonrefundable airline tickets.

Prices quoted are based on fares in effect at the time of printing and are subject to change at any time. On land and/or cruise programs, up to the time of full payment the Museum reserves the right to increase the tour price in the event of cost increases due to changes in supplier costs, currency fluctuations or fuel or energy surcharges and all such increases are to be paid to the Museum upon notice to the tour participant of such increases.

HEALTH, MEDICAL AND TOUR REQUIREMENTS

All guests are required to advise in writing to the Museum at the time their reservation is made if they have:

- Any physical or mental condition that may require medical or professional treatment or attention during the tour;
- Any condition that may pose a risk to one's self and/or other participants on tour;
- Any condition that may require health aids, i.e.; oxygen, walkers, crutches, etc., or any intention or need to use a wheelchair while on the tour.

By booking passage the guest represents and warrants that he/she is physically and otherwise fit to travel and that guests will comply at all times with applicable rules and regulations of the Museum. The Museum reserves the right without liability to require a passenger to leave the tour or to refuse to accept a guest as a tour participant who, in the sole judgment of the Museum, is unfit to travel, is a danger to himself or herself or to others, does not follow instructions of the tour leader, may distract from the enjoyment of the trip by others or may require care beyond that which the Museum is reasonably able to provide.

We highly recommend that participants purchase a travel insurance package that provides medical coverage since most U.S. policies do not provide coverage outside the United States.

TERMS AND CONDITIONS

LUGGAGE

Luggage will be limited to one (1) suitcase and one (1) carry-on per person to ensure that there is enough room on the motor coach for all passenger luggage. All luggage must be securely packed and clearly labeled. We recommend that all participants secure baggage loss and damage insurance that may be purchased for this tour.

Please see airline weight and size restrictions for luggage on international flights. The Museum is not responsible for loss or damage to luggage or any other personal item during air travel, while in a hotel during land programs, on a cruise or while on shore excursions. Under no circumstances may dangerous items (i.e. explosives, firearms, liquid oxygen, combustible or illegal substances) be taken on the tour. We recommend that you hand carry travel documents (passports and tour tickets), medications and valuables, and check with your airline regarding carry-on baggage restrictions. These items are the full responsibility of the guest at all times. The Museum shall not be responsible for the loss of or damage to such personal items.

LAND TOURS, LECTURES AND PERSONALITIES

All tours are operated by independent contractors. These independent contractors may impose additional terms and conditions and limitations of liability on tour participants. Other independent contractors retained by the Museum such as lecturers, guest personalities and entertainers are subject to change and/or cancellation without notice.

TRAVEL DOCUMENTS

All travel documents (air and tour tickets, passport) are the responsibility of the guest. It is also your responsibility to comply with all customs requirements. Without the required documents, you may be denied boarding and the Museum will not be liable for such denial or bear any financial responsibilities as a result thereof.

Security measures imposed by governments may change from time to time and you will be required to comply with them. We will endeavor to provide you with notice of measures which may affect you; but complying with any such requirement is your responsibility.
