**INTERIM AGREED ORDER TO  
RESTRICT PRACTICE**

The Medical Quality Assurance Commission (Commission), through Kristin G. Brewer, Assistant Attorney General, and Respondent, represented by Timothy E. Allen, Attorney, stipulate and agree to the following.

**1. PROCEDURAL FINDINGS**

1.1 On April 12, 2005, the state of Washington issued Respondent a license to practice as a physician and surgeon. Respondent is board certified in otolaryngology. Respondent's license is currently active.

1.2 Respondent is informed and understands that the Commission has authorized the Attorney General's Office to issue a Second Amended Statement of Charges and to initiate ex parte summary action proceedings. The Second Amended Statement of Charges alleges that Respondent committed unprofessional conduct by violating RCW 18.130.180(1), (4), (7), (10), (13), (14), and (16), and RCW 18.215.020.

1.3 The parties wish to implement terms and conditions to protect the public while an adjudication of issues is pending and without the necessity of ex parte summary action proceedings.

1.4 This Interim Agreed Order to Restrict Practice (Interim Order) shall not be construed as a finding of unprofessional conduct or inability to practice. Respondent does not admit any of the allegations in the Second Amended Statement of Charges. Respondent may file an Answer admitting or denying allegations stated in the Second Amended Statement of Charges. Respondent does not waive any rights he has to contest the allegations in the Second Amended Statement of Charges.

*C. J. Allen*

1.5 This Interim Order is of no force and effect and is not binding on the parties unless and until it is accepted by the Commission.

1.6 If the Commission rejects this Interim Order, Respondent waives any objection to the participation at any hearing of any Commission members who heard the Interim Order presentation.

1.7 This Interim Order will be reported to the National Practitioner Data Bank (45 CFR Part 60), the Federation of State Medical Boards' Physician Data Center and elsewhere as required by law.

1.8 This Interim Order is a public document. It will be placed on the Department of Health's website, disseminated via the Commission's electronic mailing list, and disseminated according to the Uniform Disciplinary Act (Chapter 18.130 RCW). This Interim Order is subject to disclosure under the Public Records Act, Chapter 42.56 RCW, and shall remain part of Respondent's file according to the state's records retention law and cannot be expunged.

1.9 Respondent agrees to comply with the terms and conditions of this Interim Order until it is superseded by a final order in this proceeding.

1.10 A violation of the provisions of Section 3 of this Interim Order will constitute grounds for disciplinary action against Respondent under RCW 18.130.180(9) and the imposition of sanctions under RCW 18.130.160, including summary suspension of his license under RCW 34.05.422(4), RCW 34.05479, RCW 18.130.050(8), and WAC 246-11-300.

## 2. CONCLUSIONS

2.1 The Commission has jurisdiction over Respondent and over the subject matter of this proceeding.

2.2 The Commission has authority to take summary action against Respondent's license under RCW 34.05.422(4), RCW 34.05479, RCW 18.130.050(8), and WAC 246-11-300.

2.3 The Interim Order in lieu of summary action protects the public from further harm pending a final order in this proceeding.
