

# Cypress Creek

## Event Venue

*Located just north of Tampa, Cypress Creek is an outdoor event venue specializing in the rustic-chic or woodland forest aesthetic. Situated right off the meandering Cypress Creek, the venue has several small bodies of water, and a rustic timber bridge on site. The property is an operational farm, with free-range chickens and ducks, an organic garden, and a variety of fruit trees.*

*Our covered barn is capable of holding up to 120 guests comfortably. Due to Florida's unpredictable weather, we only hold events from October through May.*
