

Hello All!

Just a reminder to pick up the information envelope when taking a resident to an appointment for medical care. Inside the envelope is a copy of the most recent medication list, any complaints or concerns related to overall health, a sheet for any new orders that the provider may want to send back to Bickford and my business card so that the provider will easily be able to contact me directly with any additional questions during the visit.

If I'm not in my office when you are getting ready to head out, you should be able to find the envelope hanging on the outside of my mailbox in Cheryl's office.

Thank You!!

Cindy

BFM May Spotlight

Meet Megan Dodge! Megan is a 2nd shift CNA, but you may have seen her filling in in the kitchen a few times also. She is currently going to school to receive her RN while working full time. This hard work & dedication is part of what earned Megan our 2018 Black Pearl award. A few fun facts about Megan: her fave colors are purple & teal, her fave food is Italian, although she loves a good steak dinner as well. A few of her fave movies are The Little Mermaid & The Little Rascals. When it comes to music, Megan listens to a wide variety of genres.

She has a hidden talent of being able to crochet a variety of items. Megan is inspired by the fact that knowing no matter how dark & rough life may get, she always stops to find the beauty in it. Her great grandmother told her that she had a calling, to become a nurse & to care for people as she had cared for her grandma. She describes herself as determined, compassionate & unique. Megan's favorite thing about Senior Living, "We are a tight knit family, who cares & takes care of what truly matters." When you visit us this month make sure you wish Megan a Happy Birthday!

Hello Family! Mother Nature is really keeping us on our tippy-toes this spring! I went lookin' for mushrooms yesterday with my family and the first step out of the truck was a snake. I'm really glad my eyes were working that day :) I would like to let you all know, our branch wants to get your interest in doing a few testimonials in ads, maybe radio, print or other avenues. So I'd like to reach out to all of you and see if you would be open to sharing your experience with us!

It's possible a picture would be involved and we would make it really easy for you to participate. We want the Macomb community to know what we have to offer. So if you would like to help us get the word out, let us know :) Also, keep those monthly text message scores coming! We enjoy reading your feedback and letting us know how we are doing. We are really excited about this summer coming up! See you soon! Robin and BFMS :)
