Directions for Three Branches Matching.

1. Cut out the 3 branches pieces and put into a zip lock bag.
2. Give each student a bag.

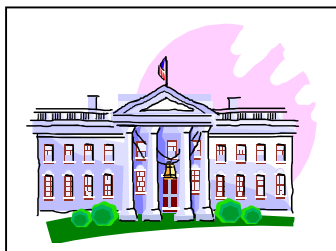

Tell the students to find the pictures of the 3 buildings. Have them lay the pictures down, then put 5 things under each picture.

After a few minutes tell them and help them put in the correct place:

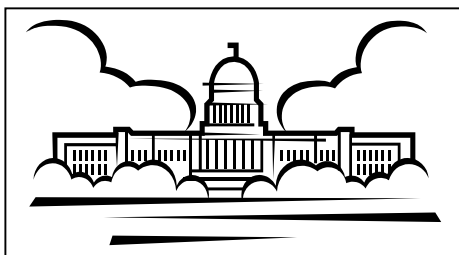

- Each building has a name:
White House, U.S. Capitol Building, Supreme Court Building
- Each building houses a branch of government:
Judicial Branch Executive Branch Legislative Branch
- Each branch of government has something to do with the law:
Makes the law Explains the law Enforces the law
- Each building has people working in it:
Senators Cabinet President
Chief Justice Representatives Justices

Then pass out worksheet for them to fill in so they have a copy of the information.
