

North Carolina Department of Insurance
TPA Directory - Number of Entries: 434

Please Note: A Third Party Administrator (TPA) is NOT an insurance company. Licensure or registration of such by the Department of Insurance does not give a TPA the authority to act as an insurance company in this State.

Please contact the Life and Health Division of the North Carolina Department of Insurance at (919) 807-6055 for verification of the current status of any TPA included on this listing. This listing may not reflect recent changes in licensing or registration status. A TPA is required to renew its license/registration annually.
