If you have a trade in you may be able to make an even better deal. Right now late model trade ins are at a premium and Gosch Ford needs yours. If you have a used Toyota, a used Honda, or a used Ford the trade in value is very good. Even used Chevy trucks or used Dodge or Chrysler minivans are bringing high trade in value.

Buyers throughout Riverside County including Sun City CA, San Jacinto CA and Hemet CA save thousands of dollars by buying a Ford Certified Preowned car, a Ford Certified Preowned Truck or a Ford Certified SUV from Gosch Ford. Certified Preowned vehicles qualify for the same 0% financing, no down payment or no payments for 90 days that new vehicles do during the Super Summer Clearance Sale at Gosch Ford on Carriage Circle in the Hemet Auto Mall.

Their credit is actually better than they think it is” explained Mr. Moran. “Go to <http://goschford.com> and see how much you can qualify for. It only takes a few seconds.”
