

ELIGIBLE VEHICLE LIST

The purchase or lease agreement must identify the vehicle as "New" to be eligible. For floor models or test drive vehicles not previously registered with the California DMV, please contact the Drive Clean! team for additional information prior to the purchase of the vehicle.

The Drive Clean! team will review the vehicle list and update it periodically to reflect the release of eligible new vehicles. Applicants should review the most recent vehicle list to determine eligibility and rebate amounts. Applicants may contact the team at (559) 230-5800 or weberip@valleyair.org to inquire about specific vehicles not identified on this list.
