2011 Chilton Labor Guide Manual

The 2011 Chilton Labor Guide Manual set provides repair times for 1981-2011 import and domestic vehicles.

- More than 2,500 pages of updated Chilton labor times split into two volumes vehicle information from 1981 to 2011.
- Trusted by more service professionals than any other labor guide.
- Less flipping though pages with separate domestic and imported vehicle manuals and more specific vehicle groups.
- Convenient tabs display contents by manufacturer and model.
- Easy-to-find manufacturers are arranged alphabetically within each volume.
- Search using two-indexes - labor operations and systems - in each model group.
- Page numbers include manufacturer code so you know where you are in the book.
- Chilton labor times refined for normal and severe service maintenance schedules, if applicable.

CHILTON®

2010 Chilton Labor Guide Manual

Chilton's editors have carefully crafted the latest edition of the famous Chilton Labor Guide to bring you the most accurate information available. The 2010 edition provides repair times for 1981-2010 import and domestic vehicles. Chilton's editors consider warranty times, component locations, component type, the environment in which technicians work, the training they receive, and the tools they use when calculating a labor time. To allow for vehicle age, operating conditions, and type of service, the Chilton 2010 Labor Guide provides standard and severe service times, plus OEM warranty times. Vehicle makes and models conform to current Automotive Aftermarket Industry Association (AAIA) standards.

- More than 2,500 pages of updated Chilton labor times split into two volumes vehicle information from 1981 to 2010
- Trusted by more service professionals than any other labor guide
- Less flipping though pages with separate domestic and imported vehicle manuals

CHILTON®

Chilton 2010 Service Manuals

The Chilton 2010 Service Manuals now include even better graphics and expanded procedures! Chilton's editors have put together the most current automotive repair information available to assist users during daily repairs. This new two-volume manual set allows users to accurately and efficiently diagnose and repair late-model cars and trucks. Trust the step-by-step procedures and helpful illustrations that only Chilton can provide. These manuals cover 2008 and 2009 models plus available 2010 models.

- Organized by vehicle manufacturer.
- Provides thousands of pages of expertly written content.
- Access new year, make, and model information without repeating previous edition's content.
- Comprehensive, technically detailed content, including exploded view illustrations, diagnostics and specification charts, arranged alphabetically by model group for quick, easy access.

CHILTON

Chilton 2006 Service Manuals

The Chilton 2006 Domestic Mechanical Service Manuals and Chilton 2006 Import Mechanical Service Manuals provide updated coverage through 2005 models and even many 2006 models, as made available from original equipment manufacturers (OEMs). Chilton is still your reliable source for fast, accurate repairs and reassembly and it still provides the lowest-priced professional repair manuals on the market! These manuals are organized by make, model and system so information gathering is easier. With modernized content, it's no wonder that more automotive professionals trust Chilton's Professional Manuals for their mechanical service and repair needs.

CHILTON

Chilton 2005 Service Manuals

Chilton Diagnostic Service Manuals, when used with an engine analyzer, scan tool, or lab scope, allow diagnosticians to gain a better understanding of engine performance components and systems, testing procedures, and the specifications necessary to determine faults. Still the lowest-priced professional repair manuals on the market. Increased model coverage over the 2004 editions is supported by more illustrations in each section, making fast, accurate repairs and reassembly easier than ever before. With modernized content, it's no wonder that more automotive professionals trust Chilton's Professional Manuals for their mechanical service and repair needs.

CHILTON

Chilton Hardcover Reference Manuals

Chilton Hardcover Reference Manuals are perfect for enthusiasts of older cars. These manuals contain repair and maintenance information for all major systems that may not be available elsewhere. Included are repair and overhaul procedures, using thousands of illustrations, as well as troubleshooting and diagnosis. They offer a wide range of repair information on cars, trucks, and vans dating as far back as 1979, and as current as 2002. Added features of manuals covering vehicles from 1993 on include Maintenance Labor Times, Technical Service Bulletin Indexes, Scheduled Maintenance Interval Charts, and much more.
