Graduate Finance Certificate

Learn how to help people budget and invest their money with a Graduate Finance Certificate. Designed to be completed in as little as eight months, this program can equip you with the financial management skills to work in the budget analysis, financial analysis or financial services industries.

You'll learn how to:

- Solve financial challenges within organizations
- Understand global finance opportunities
- Mitigate financial risk
- Use financial techniques to make investment decisions

Institutional accreditation

University of Phoenix is accredited by the Higher Learning Commission (HLC), hlcommission.org. Since 1978, University of Phoenix has been continually accredited by the Higher Learning Commission and its predecessor.

Total credits required:

15
