Sam Hunt takes No. 1 on the last CountryBreakout Chart of 2019 with "Kinfolks." Hunt co-wrote the single with Zach Crowell, Jerry Flowers and Josh Osborne.

"When I think of 'kinfolks,' when I think of that phrase," says Hunt, "I think of my family, but also I think of my people back home – beyond family. It's my buddies who've been a part of my story from the beginning. I've made a lot of new friends and met a lot of new people who are important to me since I've moved away, but that core group is still my core group. It's like that old saying, 'you can't make old friends.'" Hunt leans on that sentiment, exemplifying the importance of bringing a new relationship into the mix and comfortability of home.

Each songwriter and artist earning No. 1 credit on the MusicRow Chart receives a MusicRow Challenge Coin. Click [here](#) to view a full list of recipients.
