

# Estimated 2018 Year-End Distributions

### TAX INFORMATION | 2018

Below is the Morgan Stanley open-end funds' Estimated Year-End Distributions table. The list indicates if the funds are expected to pay capital gains distributions to shareholders of record. Capital gains distributions are the same for all share classes.

Please note that all distributions are based on estimates and are subject to revision until the ex-dividend date. Final amounts may differ significantly from their estimates. Final capital gains distributions will be announced in November and December. Funds that do not have amounts listed are not expected to have a capital gain distribution in November or December 2018.

Morgan Stanley does not offer tax advice. The tax information contained herein is general and is not exhaustive by nature. It was not intended or written to be used, and it cannot be used by any taxpayer, for the purpose of avoiding penalties that may be imposed on the taxpayer under U.S. federal tax laws. Federal and state tax laws are complex and constantly changing. You should always consult your own legal or tax advisor for information concerning your individual situation.

There is no assurance that a mutual fund will achieve its investment objective. Funds are subject to market risk, which is the possibility that the market values of securities owned by the fund will decline and that the value of fund shares may therefore be less than what you paid for them. Accordingly, you can lose money investing in a fund.

Please consider the investment objectives, risks, charges and expenses of the funds carefully before investing. The prospectus

contains this and other information about the funds. To obtain a prospectus, contact your investment professional or download one at [www.morganstanley.com/im](http://www.morganstanley.com/im). Please read the prospectus carefully before investing.
