#### APPLICATION FOR A FIRST RENEWAL OF THE MICHIGAN PROVISIONAL TEACHING CERTIFICATE

Effective October 15, 2009, there is a \$50.00 processing fee for this application. Please pay the fee online using a credit card, debit card, or checking account *before* submitting the application. Applications without fee payment cannot be processed.

**RENEWAL OF THE PROVISIONAL CERTIFICATE:** The initial teaching certificate is valid for a period of six years, during which the holder is expected to gain experience as a practicing teacher and continue professional development through advanced coursework that serves as a prerequisite for the next level of certification. At the end of the six-year period, the certificate holder may apply for a three-year renewal of the Provisional Certificate or apply for the Professional Certificate. At the end of the first renewal period a second, and final, three-year renewal is available. To be eligible for a first renewal, the applicant must have completed nine recent and relevant semester credits *after* initial certification on a <u>planned program</u>, with the majority of courses taken through MSU. For a second renewal, the applicant must have completed at least 18 credits after initial certification. Coursework used to satisfy the requirements for initial certification cannot be used again for a renewal or the Professional Certificate.
