

MOVE-IN GUIDE

PASSPORT

RESIDENCE LIFE &
STUDENT HOUSING

WELCOME!

You are officially a Resident Lobo! In this booklet you will find helpful information to make moving into your residence hall a smooth transition. Bring this guide with you to move in for easy reference.

BEFORE YOU MOVE IN

First things first! There are a few helpful things you should do before you come to campus.

1. Contact your roommate. Get acquainted and decide who will be bringing what to avoid two of everything. Log into your housing dashboard for more information about your roommate.
2. Start getting involved! You don't have to wait until you arrive to get to know us. Join us on [Twitter](#), [Instagram](#), and [Facebook at @UNMResLife](#) to get to know Residence Life or to ask any questions about your new home.
3. Make sure you are up to date on your immunizations. Visit your doctor to find out more information on appropriate vaccinations before coming to college or visit [UNM Student Health & Counseling](#) for more information.
4. Consider purchasing property insurance. Many homeowner policies cover student property, or you may purchase additional coverage to minimize any financial impact from theft, fire, etc.
5. Get your parking pass for the academic year online. Parking passes will be available for purchase beginning Thursday, July 25th, 2019 at 7:30 am for residents. For more information visit pats.unm.edu.
6. You will need your UNM ID in order to check into your room. You should have received this at your orientation but visit the [Lobo Card Office](#) if you need a replacement.

WHAT TO EXPECT WHEN CHECKING IN

The check-in process will involve a few additional steps including the issuing of your room keys for your hall. We will also need to confirm you have the most recent LoboCard. This may require an extra visit to another check-in station. We appreciate your patience during our peak check-in times!

WHERE TO CHECK IN

Head to the check-in station for your hall upon arrival:

SRC Residents - SRC Commons

Hokona, Santa Clara, LDV Residents - Hokona Hall Lobby

Coronado, Alvarado, RVA Residents - Coronado Hall Lobby

Hashtag your move-in day
via Instagram at
#BacktothePack2019!

RESIDENT LOBO TIP

Start building a relationship with your RA as soon as you can. They will be one of your greatest resources on campus for learning about events or activities, or for asking for help when things get tough.

WHEN TO GET HERE

EARLY ARRIVAL: AUGUST 10-12

9 AM TO 5 PM

Need to get here early? There is a \$30 per day early arrival fee (fee is charged to your Bursar's Account after check-in.) You must complete the Early Arrival Application as soon as possible, located in your [housing dashboard](#). Early arrivals can check in at their assigned hall desk and park in designated parking areas. (More on that later in the guide.)

RESIDENT LOBO MOVE-IN 2019: AUGUST 13-16

9 AM TO 5 PM

Resident Lobo Move-In is the optimal time for check-in at UNM. Volunteers will be available from 9am-4pm along with moving carts to help you unload on any of these four days of move-in. Most importantly, designated unloading zones access for your vehicle will be available to ease your move.

WEEKEND ARRIVAL: AUGUST 17-18

9 AM TO 8 PM

Can't make it until the weekend? No problem. Park in the designated parking areas and arrive to your assigned hall desk to check in. Arriving after 8 pm? Please contact us 24 hours in advance at housing@unm.edu to notify us of after 8pm arrival so that we can make arrangements.

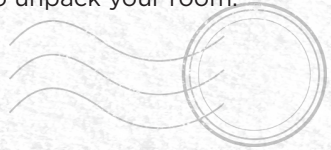

NO SHOWS

Residents who have not checked in by Monday, August 19 at 5 pm, or notified us of late arrival, will be charged a no-show fee. Please call our 24/7 Help Desk at 505.277.2606 if you are experiencing any special situations that prevent you from arriving by this time.

PARKING DURING MOVE-IN

Before you start to move in, you must first check in at the designated stations. An access pass to the unloading zones will be provided to you

when you arrive at your check-in station (See map.) While you check in and receive your access pass, you or your family/friends/helpful movers can park in the waiting lot, in the R lots across from Casas del Rio or south of RVA. Once you have your access pass, move your car or have your helpers meet you at your designated zone. You will show the access pass while parked in your designated zone. Please only use the unloading zones for your building to drop off your belongings. Please park briefly, unload your items and then move your car to a residential parking area to unpack your room.

PEDWAY ACCESS

The Pedway is the main sidewalk that runs through the Residence Life area, beginning at the Redondo Road roundabout running west to the Social Sciences building (note the green arrow on the map). The Pedway is set up as an unloading zone for Hokona, SRC Apartments, and Santa Clara ONLY during Resident Lobo Move-In. Unloading zones are not for checking in, unpacking your room or other campus errands:

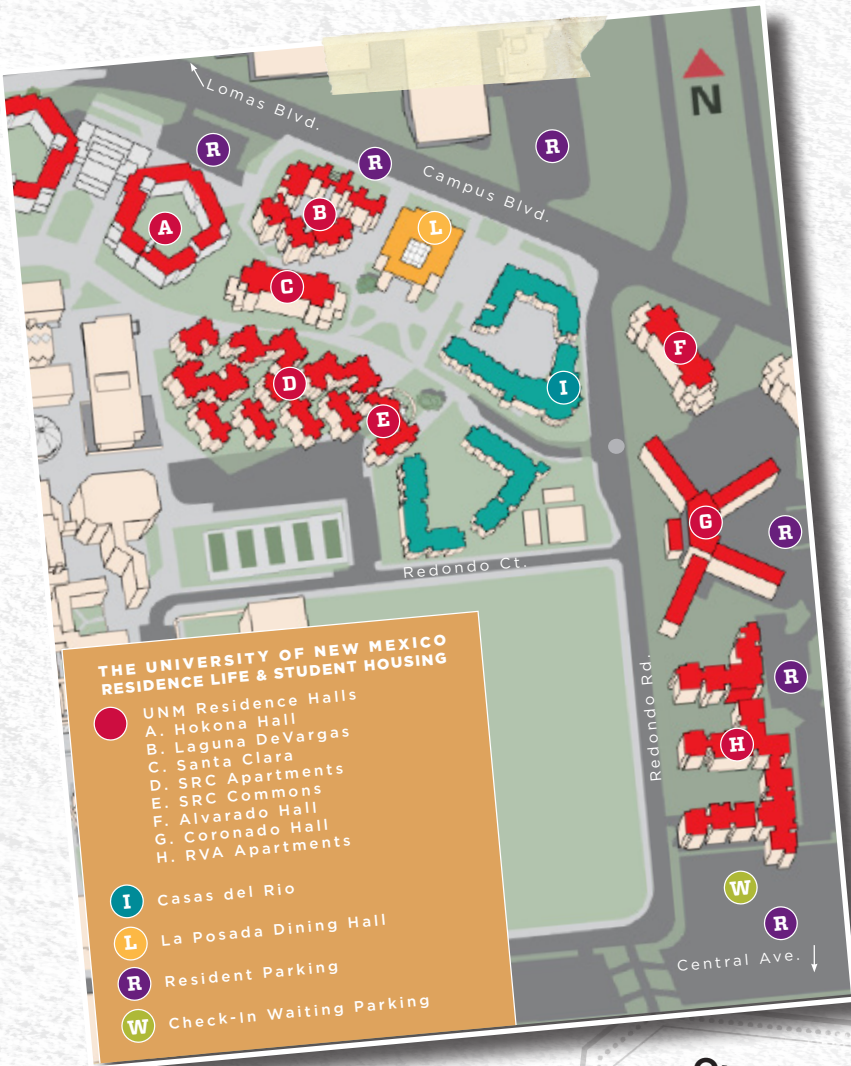

- Enter on the east end from the roundabout.
- Pedway speed limit is 5 mph.
- The Pedway is ONE-WAY ONLY. Drive west and park on the right hand side to unload.
- Exit at the west end of the Pedway near the Social Sciences building.

PARKING BEFORE CLASSES START

During Resident Lobo Move-In, residents are allowed to park in the residence hall “R” parking lots as well as the Lomas structure “S” parking lots without a parking pass until classes begin August 19. Residents who plan to park on campus regularly, however, should purchase a permit from [UNM Parking & Transportation Services](#) as soon as possible. Residential Parking Areas (“R” lots) for move-in include:

- Parking lot between Hokona Hall and LDV Complex
- Parking lot east of Coronado Hall
- Parking lot east of Redondo Village Apartments

WELCOME BACK, RESIDENT LOBOS

LOBO RECLAIM

REUSE, REUSE, RECLAIM

Started in 2016, Lobo Reclaim was created to minimize the number of usable items residents were throwing out during move-out and minimize the overall cost of move-in, by collecting and reselling student donated items and selling them garage-sale style during move-in. Now in it's fourth year, Lobo Reclaim gives students the opportunity to buy gently used items at a huge discount instead of buying new and it keeps items with more life to live out of the trash and landfills. So don't buy new hangers or a shower caddy, buy from Lobo Reclaim and help the environment and your on-campus community.

AUGUST 13 - 18
10AM - 5PM
HOKONA BALLROOM

All You Can Carry - \$1
One Filled Container - \$5
Day Pass (5 entries) - \$15

This is a cash only event.
some items priced as marked

RESIDENT LOBO TIP

For a complete list of items allowed (and not allowed) in your hall, please check out our

[Residence Hall Handbook](#)

ADVICE FROM RESIDENT LOBOS

Don't be afraid to put yourself out there. It's okay to go to new club meetings or social events by yourself because you'll definitely leave with a new friend.

Emily M., RVA Resident

Leave your door open to new opportunities (literally and metaphorically). Meet your neighbors, say hi to people in the hallways, help your roommate and your neighbors move in. The more people you meet, the more friends you'll make!

Tim C., Hokona Resident

"Getting involved is the best strategy to learning new skills or making new friends. Try something new out, you'll never know where it'll take you."

Sab M., SRC Resident

Some life-saving items- in the traditional halls it is always handy to have a water pitcher and a single serve coffee maker. You won't have to go back and forth to the water fountain for water, and it is cost and time efficient to make coffee from your room. Invite all your friends to your hall and have a coffee and tea hangout!

Second, it may be hard the first few weeks transitioning into college life and getting used to being away from home. The best way to help with homesickness is to talk to family back home frequently, but also become engaged in activities with new friends.

Rebekah B., Hokona Resident

DID YOU KNOW?

- The [Residence Hall Handbook](#) has tons of useful information, including things like emergency preparedness and other important procedures. Be sure to read through your handbook and understand all the policies.
- We have lots of activities planned for you once you get here. First, kick off your year with Res-Hall-A-Daze, a great UNM tradition full of fun events the first two weeks of school, concluding with the Residence Hall Olympiad, where residence halls compete in field events for bragging rights. Keep up to date on all these events through our social media and flyers posted throughout the residence halls.
- UNM Residence Life & Student Housing offers over 100 paid student positions! You could be a desk attendant, safety staff member and more! Check out unmjobs.unm.edu under student positions throughout the year.

RESIDENT LOBO TIP

Check out our [Pinterest](#) boards!

There are lots of great ideas for decorating, recipes, what to bring with you, study tips, and more!

(We even have a board for parents!)
