

Summer Solstice Success Day

"The National Guidelines for diabetes changed my life for the better. I enjoyed speaking at the conference "

DeeDee Blanchard

The Summer Solstice (June 21) is a time to shine a light on those who have overcome homelessness. People without homes face incredible challenges to survive, let alone thrive, yet their experience of homelessness does not define them. Some individuals find successes—whether large or small—as they surmount barriers to becoming housed. [Summer Solstice Success Celebrations](#) are joyful observances of these victories for people who have endured and overcome homelessness. Furthermore, each ceremony reaffirms our knowledge that affordable housing, adequate incomes, comprehensive health care, and supportive services can end homelessness not only for individuals, but also for society.

NCAB would like to use this Summer Solstice to honor the wonderful consumer subsidy recipients who attended our 2019 National Conference to share their wisdom and passion.

"This was my second time attending the national conference. I always look forward to meeting with other CAB members. I leave the conference feeling invigorated, re-energized and ready to bring information back to Lincoln's Board of Directors and NC! This year I learned a lot of about LGBTQ youth. I really enjoyed it and am hoping to share insights with our board."

-Frank Whitehead (Durham, North Carolina)

I felt the communal love and saw the sincerity of fighting for those who are less fortunate as they suffer the plight of homelessness.

-Frederick Lee Jackson (Houston, Texas)

Join us at the 2020 Conference in Phoenix Arizona! Sign up as an [Individual Member of NCAB](#) (for free) to receive notices when subsidies open.
