## BACHELOR OF SCIENCE IN NURSING (RN-TO-BSN COMPLETION PROGRAM)

The Bachelor of Science in Nursing (RN-to-BSN) completion program provides several opportunities for prospective students to reduce the total program length and total tuition cost through credit for academic or other experiential. Upon receipt, official transcripts or other documentation will be reviewed by CTU's Prior Learning Assessment Department to determine transfer credit eligibility into the RN-to-BSN program followed by any cost adjustments.

- Up to 90 quarter credits may be accepted as transfer credit with the required incoming Associate Degree in Nursing, Diploma Registered Nurse (RN), or a graduate-entry educational transition program preparing students for eligibility to become licensed as a Registered Nurse.
- 28.5 quarter credits may be awarded toward degree completion requirements for a valid Registered Nurse (RN) license.
- Additional credits may be awarded for national nursing specialty certifications.
- An experiential learning portfolio may be reviewed for additional credit.

The table below provides examples of possible scenarios. The cost for each student will be determined after a review of the credit opportunities listed above.

	Total Program Credits	Cost Per Credit Hour (See Note 1)	Total Tuition Cost (See Notes 2, 3, & 4)
<b>BACHELOR OF SCIENCE IN NURSING (RN TO BSN) COMPLETION PROGRAM</b>			
	<b>180</b>		
RN-BSN for Diploma of Nursing Graduates without national specialty nursing certification or work experience	109.5	\$260	\$28,470
RN-BSN for Diploma of Nursing Graduates with national specialty nursing certification and work experience	89.5	\$260	\$23,270
RN-BSN for Associate Degree in Nursing Graduates without national specialty nursing certification or work experience	61.5	\$260	\$15,990
RN-BSN for Associate Degree in Nursing Graduates with national specialty nursing certification and work experience	48	\$260	\$12,480
<b>ADDITIONAL FEES</b>			
Technology Fee (See Note 5)		\$220 per Term	
Engineering Fee (See Note 6)		\$1,100	
Doctoral Symposium Fee (See Note 7)		\$1,000	
Graduation Fee (See Note 8)		\$150 undergraduate programs / \$200 graduate programs	

### Disclosures

Tuition cost and program length assume a student will be awarded the maximum credit for transfer, licensure, prior experiential learning, and professional certifications, will be continuously enrolled, and will satisfactorily complete all program requirements for graduation. Tuition and timing reflect an accelerated pace for the nursing component of the program. Additional courses, such as general education requirements, may be necessary dependent on credits transferred to CTU.

**DOCTOR OF NURSING PRACTICE**

The Doctor of Nursing Practice program provides opportunities for prospective students to reduce the total program length and total tuition cost through credit for previous clinical practice. All DNP graduates must complete 1,000 clinical hours at the post-baccalaureate level. Five hundred of those hours will be clinical immersion hours completed while attending CTU. All DNP students are required to enter the program with at least 120 clinical hours. For students that do not have the remaining 380 clinical hours to transfer in, CTU provides DNP Transitions courses. Each Transitions course awards approximately 1 quarter credit hour per every 30 clinical practice hours.

The table below provides examples of possible scenarios. The cost for each student will be determined after a review of the clinical hours completed before entering the program.

Program	Terms	Total Program Credits	Cost Per Credit Hour (See Note 1)	Total Tuition Cost (See Notes 2, 3, & 4)
<b>DOCTOR OF NURSING PRACTICE</b>		<b>62</b>		
MSN with 120 hours of clinical practice	9	62	\$598	\$37,076
MSN with 500 hours of clinical practice	7	49	\$598	\$29,302
<b>ADDITIONAL FEES</b>				
Technology Fee (See Note 5)			\$220 per Term	
Engineering Fee (See Note 6)			\$1,100	
Doctoral Symposium Fee (See Note 7)			\$1,000	
Graduation Fee (See Note 8)			\$150 undergraduate programs / \$200 graduate programs	

**Notes:**

1. Program tuition is charged per credit hour at the beginning of each term throughout the student's program. Each academic term is 10 weeks and includes two 5 week sessions.
2. Total tuition cost is based upon the total number of credits in a degree program. Fees charged by the University are not included in the total tuition cost and are incremental to tuition cost stated on this schedule. The total number of credits taken at Colorado Technical University may vary due to transfer credits, block transfer, or repeated courses. Students possessing an earned Associate degree from an accredited institution at the time of admission to Colorado Technical University may be eligible for a block transfer of credits into select Bachelor's degree programs. See the Degree Programs section of the University Catalog for descriptions of the degree programs.
3. The University reserves the right to change tuition and fees during the course of an academic year. As such, a student's financial aid packaging may be subject to adjustment to account for these monetary changes.
4. Total tuition cost includes a custom suite of course materials which are provided to the student by Words of Wisdom, LLC. At the University's discretion, books may be delivered in an electronic (e-Book) or standard textbook. The Technology Fee is \$220 per term (non-refundable).
5. The Technology Fee covers student access to and maintenance of the following University systems: Student Portal, Virtual Classroom, Intellipath™ adaptive learning platform, CTU Mobile App, CTU Messenger, e-Book reader, and student email. Students utilizing VA education benefits will be exempt from the fee.
6. For students enrolled in the Bachelor of Science in Computer Engineering program, a \$1,100 non-refundable engineering fee will be charged to the student's account in the term in which the student is registered for their first engineering (EE) course. This fee does not cover the cost of these required items: safety goggles, one Phillips head screwdriver, one flat head screwdriver, and one set of needlenose pliers with side cover; it is the student's responsibility to purchase these items. Engineering students are also responsible for purchasing any replacement parts listed on the Engineering Parts List; this list is available to students to assist in purchasing replacement parts.
7. A \$1,000 non-refundable Doctoral Symposium fee is charged to a student's account each term in which a student is registered for the two required symposium events. This fee covers administrative costs such as conference rooms, AV equipment, academic event materials and supplies that are associated with the symposium event. Students interested in attending more than the two required symposium events will be responsible for paying for their hotel accommodations in addition to the non-refundable Doctoral Symposium fee. Please see the Doctoral Symposium section of the University Catalog for more information.
8. A non-refundable graduation fee will be charged to the student's account during their final term. The graduation fee covers one diploma and diploma cover, two official University transcripts, honor cord (if applicable), regalia (if the graduate is attending a ground graduation ceremony), and costs related to the production of the annual ground graduation ceremony. In order to participate in a ground graduation ceremony, each eligible student must complete the entire graduation registration process by the published deadline. Students who fail to register by the deadline will forfeit the opportunity to receive regalia and participate in a ground graduation ceremony. Regardless of ceremony participation, all graduates will receive their diploma kit at their home address approximately 6-8 weeks following their final term.

**Disclosures:**

Tuition cost and program length displayed above assume a student will enter the program with the minimum or maximum clinical practice hours required, will be continuously enrolled, and will satisfactorily complete all program requirements for graduation.

The total tuition cost will increase and program length may change due to academic failure of courses and/or withdrawals and drops. Transfer credit is evaluated on an individual basis. Not all credits are eligible to transfer. See University Catalog for transfer credit policies and program availability. CTU cannot guarantee employment, salary, or career advancement. Not all programs are available to residents of all states. REQ1830383 6/2022
