For Life Insurance, once your mortgage is approved, coverage starts on the date you applied for coverage if:

- You answered “NO” to health questions 1-4 on the application; and
- The total of the coverage amount you are applying for and any existing mortgage coverage you may have is \$500,000 or less.

In these instances, your coverage starts only when you are notified in writing that you are approved.

What are the benefits?

In the event of an approved claim, we will pay TD Canada Trust up to \$1,000,000 for Life Insurance and up to \$1,000,000 for Critical Illness Insurance to be applied towards:

- The outstanding balance of your mortgage; or

- If your loss is a result of intentional self-inflicted injury, suicide or attempted suicide.

- you die.

For complete details on when coverage ends, please refer to the Certificate of Insurance, section “When Your Life Insurance Ends” and “When Your Critical Illness Insurance Ends”.

Premiums are calculated based on:

- Your age at the time of application
- the amount of your mortgage at the time of application

Note: Critical Illness Insurance premiums and Life Insurance premiums for each insured borrower are calculated separately and billed together as one amount as part of your regular mortgage payment.

Multi-insured Discount

- A 25% discount will apply to each insured borrower’s premium when more than one borrower is insured with the same coverage on the same mortgage.

Premium Rate Reductions

A premium rate reduction will apply to the cost of the insurance for the insured balance of your mortgage as follows:

- A 25% premium rate reduction for amounts between \$300,000 - \$500,000
- A 35% premium rate reduction for amounts over \$500,000.

Premium rates per \$1000 of single coverage are shown in the table below.

Note: these rates do not include applicable provincial sales taxes.

Age	Life Insurance	Critical Illness Insurance	Age	Life Insurance	Critical Illness Insurance
18 to 30	\$0.13	\$0.14	51 to 55	\$0.56	\$1.02

46 to 50	\$0.46	\$0.69			

*Available only under Recognition of Prior Coverage and Continuation of Coverage.

The following example demonstrates how to calculate the monthly premium for Critical Illness and Life Insurance for a 34-year-old with a \$100,000 mortgage.

			Cost of Life Insurance	Cost of Critical Illness Insurance
Step 1:	_____ (A)	Premium Rate	\$0.17	\$0.19
Step 2:	_____ (B)	Mortgage Amount	\$400,000	\$400,000
Step 3:	_____ (C)	<i>Insured Benefit</i> percentage	100%	100%
Step 4:	_____ (D)	B x C = D, D is the <i>Insured Benefit</i>	$\$400,000 \times 100\% = \$400,000$	$\$400,000 \times 100\% - \$400,000$
Step 5:	_____ (E)	Premium for <i>Insured Benefit</i> up to \$300,000	$E = (0.17 \times \$300,000) \div 1000 = \51.00	$E = (0.19 \times \$300,000) \div 1000 = \57.00
	_____ (F)	Premium for <i>Insured Benefit</i> between \$300,000 to \$500,000	$F = (0.17 \times 0.75 \times \$100,000) \div 1000 = \$12.75$	$F = (0.19 \times 0.75 \times \$100,000) \div 1000 = \$14.25$
	_____ (G)	Premium for <i>Insured Benefit</i> over \$500,000	G = N/A	G = N/A
Step 6:	_____ (H)	E + F + G = H, H is the monthly premium	$\$51.00 + \$12.75 + \$0.00 = \63.75	$\$57.00 + \$14.25 + \$0.00 = \71.25
Step 7:	_____ (I)	H + (H x your provincial tax rate) = I, I is the monthly premium after tax	$\$63.75 + (\$63.75 \times 0.09 = \$5.74) = \69.49	$\$71.25 + (\$71.25 \times 0.09 = \$6.41) = \77.66

In this example, the monthly Critical Illness and Life Insurance premium would be \$147.15 (\$69.49 + \$77.66).

- the outstanding balance on *your Mortgage*. We will not pay more than the outstanding balance on *your* insured *Mortgage(s)*; or
- a percentage of the outstanding balance on *your Mortgage* equal to the *Insured Benefit* percentage, as described in section “Partial Coverage”.

In addition, subject to the maximum *Life Insurance* amount of \$1,000,000, we pay the following amount associated with *your Mortgage*:

- any discharge or penalty fees;
- any overdrawn balance in *your* property tax account, if *you* have arranged for *TD Canada Trust* to make these payments; and
- any interest owing.

Note: We will deduct from the insurance benefit any *Mortgage* payments that were in arrears prior to the date we determined the benefits.

For *Mortgages* with partial coverage, the amount of the *Life Insurance* benefit available will be limited to the *Insured Benefit* percentage of the outstanding balance on *your Mortgage* that is either:

- specified at time of *Application*; or

- specified in the letter we sent you approving your partial coverage.

Any *Life Insurance* benefit is subject to the coverage maximum.

This applies to the responses in *your Application* and to any other information we receive from *you*, whether in writing, electronically or by telephone.

When *Your* Life Insurance Ends

Your Life Insurance on your Mortgage will end without notice to you on the date when any of the following occurs:

- you no longer are a mortgagor or guarantor of the *Mortgage*;
- you turn 70 years old (applies to coverage for the full term of *your Mortgage* or while covered under the *Creditor Defined Plan*);

If there is more than one borrower insured on the *Mortgage*, each borrower must provide a request to cancel coverage individually;
- your 5-year period of coverage has come to an end if you are covered under the *Creditor Defined Plan*;
- we pay any *Life Insurance* benefit in regard to your insured *Mortgage**;

- *TD Canada Trust* starts legal proceedings against you concerning your insured *Mortgage*, including a notice of sale of your property*; or
- you die*.

*This will end insurance coverage for all insured borrowers and guarantors.

When your insurance coverage ends for any reason, we will not notify the other person(s) liable to *TD Canada Trust* for the *Mortgage*.

We will refund any premiums we may owe you after your coverage ends. If you cancel your coverage within the first 30 days, your premiums will be refunded and coverage will be considered never to have been in force. If a claim is made within the first 30 days, a refund is not provided.

Note: Your insurance coverage may end prior to the repayment of your *Mortgage*.

- on the date you applied for coverage if you answer “NO” to all health questions in *your Application* (Section: Information about *your* health) and

the amount of coverage requested for all *your* insurable *TD Canada Trust Mortgages* combined is \$500,000 or less; or

- on the date we write to let *you* know that we have approved *your Critical Illness Insurance* for the full term of *your Mortgage* if *you* answer “YES” to any of the health questions in *your Application* (Section: Information about *your* health) or if the amount of coverage requested for all *your* insured *TD Canada Trust Mortgages* combined is greater than \$500,000.

If *you* have an existing *TD Canada Trust Mortgage* with active *Life Insurance* and *Critical Illness Insurance*, and *you* are refinancing or applying for an increase in coverage, then *your* coverage start dates will be outlined in section “*Continuation of Coverage for Critical Illness Insurance*” on page 38.

When You Must Complete a Health Questionnaire

Note: We reserve the right to change *our* approval requirements and the questions in the *Application* at any time.

If *you* apply for *Critical Illness Insurance* in addition to *Life Insurance* and we require additional information from *you*, *your* coverages may start on different dates, but *your Critical Illness Insurance* can never begin before *your Life Insurance*.

Maximum Critical Illness Insurance Amounts You Can Apply For

You can apply to insure the amount of *your Mortgage* up to a maximum of \$1,000,000 for *Critical Illness Insurance* for all of *your* combined *Mortgages*.

Once *your Application* has been completed and prior to funding:

- *you* may apply to increase or decrease *your Mortgage* amount; and if
- *TD Canada Trust* approves the new amount of *your Mortgage*; then
- the amount of coverage will be calculated based on the funded amount of *your Mortgage*.

Note: The amount of coverage will be subject to the maximum *Critical Illness Insurance* amounts and any other applicable restrictions in *your* insurance approval letter or Certificate of Insurance.

How A *Critical Illness Insurance* Benefit Is Determined

When we pay an insurance benefit, we will determine the amount payable as of the date of diagnosis.

When a benefit is paid, subject to the maximum *Critical Illness Insurance* amount of \$1,000,000, we pay a benefit equal to:

- the outstanding balance on *your Mortgage*. We will not pay more than the outstanding balance on *your* insured *Mortgage(s)*; or
- a percentage of the outstanding balance on *your Mortgage*, as described in sections “Partial Coverage” and “Recognition of Prior Coverage”.

In addition, subject to the maximum *Critical Illness Insurance* amount of \$1,000,000, we pay the following amount associated with *your Mortgage*:

- any discharge or penalty fees;
- any overdrawn balance in *your* property tax account, if *you* have arranged for *TD Canada Trust* to make these payments; and
- any interest owing.

Note: We will deduct from the insurance benefit any *Mortgage* payments that were in arrears prior to the date we determined the benefits.

For *Mortgages* with partial coverage, the amount of the *Critical Illness Insurance* benefit will be limited to the *Insured Benefit* percentage of the outstanding balance on *your Mortgage* that is either:

- specified at time of *Application*; or
- specified in the letter we send *you* approving *your* partial coverage.

Any *Critical Illness Insurance* benefit is subject to the maximum coverage amount.

When We Pay A *Critical Illness Insurance* Benefit

In the event *you* are diagnosed with *Cancer (life-threatening)*, *Acute Heart Attack*, or *Stroke* we will pay a benefit to *TD Bank* as described in “How A *Critical Illness Insurance* Benefit Is Determined”.

When We Will Not Pay A *Critical Illness Insurance* Benefit

- *your* diagnosis of a covered condition occurs within 24 months of the start of *you* becoming covered under *your* existing *Critical Illness Insurance* and

your diagnosis is a result of an illness or condition (whether this illness or condition is diagnosed or undiagnosed) for which *you* had symptoms or received medical consultation, tests, treatment, care or services (including without limitation, diagnostic services or measures), including prescribed medication during the 24 months prior to the start of *your Critical Illness Insurance* (this is called a “**pre-existing condition**”);

- *your* claim is a result of *your* use of illegal or illicit drugs or substances;
- *your* claim is a result of *your* misuse of medication obtained with or without prescription; or
- a diagnosis of *Cancer (life-threatening)* or investigation leading to a diagnosis, occurs within 90 days when *your* existing coverage starts. In this instance, all insurance premiums will be refunded.

For additional exclusions, please refer to section “When We May Not Pay Any Benefit and Terminate All *Your* Coverage”.

If *you* have *Continuation of Coverage on your Critical Illness Insurance*, please see “*Continuation of Coverage for Critical Illness*” on page 38 for additional information.

When We May Not Pay Any Benefit and Terminate All *Your* Coverage

- *you* give any false or incomplete responses to requests for information that we require to approve *your* insurance; or
- *you* give any false or incomplete information when requesting any change to *your* coverage.

This applies to the responses in *your Application* and to any other information we receive from *you*, whether in writing, electronically or by telephone.

When *Your Critical Illness Insurance* Ends

Your Critical Illness Insurance on your Mortgage will end without notice to *you* on the date that *your Life Insurance* ends, as described in the section “When *Your Life Insurance* Ends” on page 25, or when any of the following occurs:

- if we pay any *Life Insurance* benefit on *you* with respect to *your* insured *Mortgage**;
- if we pay any *Critical Illness Insurance* benefit on *you* with respect to *your* insured *Mortgage*. In this case *Critical Illness* coverage will end for all insured borrowers and guarantors;
- a diagnosis of *Cancer (life-threatening)* or investigation leading to a diagnosis occurs within 90 days from when *your* coverage effective date starts;

- we receive a written request from you to cancel your *Critical Illness Insurance* or, if we are able to confirm your identity, we receive your request by telephone to cancel your coverage. If there is more than one borrower insured on the *Mortgage*, each borrower must provide a request to cancel coverage individually; or
- if you are covered under the *Creditor Defined Plan*, your 5-year period of coverage has come to an end, or you turn 70 while enrolled in the *Creditor Defined Plan*.

*This will end insurance coverage for all insured borrowers and guarantors.

When your insurance coverage ends for any reason, we will not notify the other person(s) liable to *TD Canada Trust* for the *Mortgage*.

We will refund any premiums we may owe you after your coverage ends. If you cancel your coverage within the first 30 days, your premiums will be refunded and coverage will be considered never to have been in force. If a claim is made within the first 30 days, a refund is not provided.

Note: Your insurance coverage may end prior to the repayment of your *Mortgage*

Acute Heart Attack does not include:

- an incidental finding of ECG changes suggesting a prior myocardial infarction with no corroborating event;
- an increase of cardiac bio-markers and/or enzymes due to coronary angioplasty (a medical procedure involving the ballooning of a narrowed coronary artery) unless there are new elevations of ST segments in the involved ECG leads considered diagnostic for an acute myocardial infarction; or

Additional Conditions to Coverage

The following sections explain additional conditions that may apply to *your Life Insurance* or *Critical Illness and Life Insurance*. If any of these additional conditions apply to *you*, we will let *you* know in writing.

The additional conditions to coverage are subject to all exclusions and limitations to *Life Insurance* and *Critical Illness Insurance* coverage outlined in the following sections:

- “When We Will Not Pay a Life Benefit or Terminal Illness Benefit”, page 22
- “When We Will Not Pay An Accidental Dismemberment Benefit”, page 23
- “When We Will Not Pay A Critical Illness Insurance Benefit”, page 28
- “When We May Not Pay Any Benefit And Terminate All Your Coverage”, page 29
- “When your Life Insurance Ends”, page 25, and
- “When your Critical Illness Insurance Ends”, page 29.

Creditor Defined Plan

The *Creditor Defined Plan* provides the same coverage as *Mortgage Life Insurance* or *Critical Illness and Life Insurance*, up to a maximum of \$500,000 for *Life Insurance* and \$500,000 for *Critical Illness Insurance* but is limited to a **5-year period**.

Note: Please refer to the “*Life Insurance*” and “*Critical Illness Insurance*” sections on pages 20 and 26 for all applicable terms and conditions.

To be considered for the *Creditor Defined Plan*, you will need to provide your consent on your *Application*. Your consent to be enrolled does not guarantee your enrollment in coverage. We may not be able to provide you with any coverage if you do not meet our standard approval criteria.

If you consent, there are two circumstances when you may be enrolled in the *Creditor Defined Plan*:

- Depending on your answers to the questions on the *Health Questionnaire*, we may determine that you do not qualify for coverage on the full term of your *Mortgage*. In this case, you will be enrolled in the *Creditor Defined Plan* if you meet our standard approval criteria; or
- In the event that we are unable to reach you to complete the *Health Questionnaire* and complete our approval process, we will not be able to consider you for coverage for the full term of your *Mortgage*. In this case, you will be enrolled in our *Creditor Defined Plan* if you meet our standard approval criteria.

If you are enrolled in the *Creditor Defined Plan*, your coverage starts on the date we write to let you know that we have approved you for *Life Insurance* or *Critical Illness and Life Insurance*. Our 30-day review period described on page 49 applies if you are enrolled in the *Creditor Defined Plan*.

At the end of the 5-year period following your coverage effective date, you will

need to complete a new *Application* for coverage if you wish to maintain credit protection on your *Mortgage*.

Premiums are calculated based on your age and *Mortgage* amount at the time of *Application*. If you complete a new *Application* for coverage at the end of the 5-year period, premium rates will be based on your age at the time of your new *Application*.

If you are enrolled in the *Creditor Defined Plan* and are refinancing your *Mortgage* and you have applied for additional coverage, we may offer you *Continuation of Coverage* for the remainder of your 5-year period of coverage (subject to the maximum coverage amounts and you being eligible to apply).

To be eligible to apply for *Continuation of Coverage*:

- you are a Canadian resident;
- you are between 18 and 69 years old;
- you are refinancing or replacing your existing *Mortgage*; and
 - have active *Life Insurance* or *Critical Illness Insurance* on your existing *Mortgage*; or
 - apply within 30 days of your *Mortgage* being discharged and your existing coverage being terminated because of the discharge.

If you are approved for *Continuation of Coverage*, your premiums are calculated based on your age at time of *Application* for *Continuation of Coverage*.

When We Will Not Pay a *Critical Illness Insurance* Benefit under *Creditor Defined Plan*

- your diagnosis of a covered condition occurs within 24 months of you becoming covered under your original *Critical Illness Insurance* and your diagnosis is a result of an illness or condition (whether this illness or condition is diagnosed or undiagnosed) for which you had symptoms or received medical consultation, tests, treatment, care or services (including without limitation, diagnostic services or measures), including prescribed medication during the 24 months prior to the start of your original *Critical Illness Insurance* (this is called a “**pre-existing condition**”);
- a diagnosis of *Cancer (life-threatening)* or investigation leading to a diagnosis, occurs within 90 days when your *Original Application* coverage starts. In this instance, all insurance premiums will be refunded.

Note: Individuals who are approved under the *Creditor Defined Plan* will not be considered for recognition of prior coverage as described under section “Recognition of Prior Coverage” on page 36.

For eligibility and details on *Continuation of Coverage*, see pages 36 to 40.

Partial Coverage

If the total of all your *Mortgages* insured with *Life Insurance* or *Critical Illness and Life Insurance* exceeds \$1,000,000, we may offer you partial *Life Insurance* or partial *Critical Illness and Life Insurance*.

Insured Benefit Percentage

If your *Mortgage* is greater than \$300,000, you may choose to apply for partial coverage by selecting an *Insured Benefit* percentage on your *Application*.

The percentage selected for both *Critical Illness Insurance* and *Life Insurance* must be the same and is subject to approval conditions. In addition, the *Insured Benefit* percentage selected for *Critical Illness Insurance* cannot be greater than the percentage selected for *Life Insurance* coverage.

Once your approval process is complete, if we determine the selected *Insured Benefit* percentage for *Critical Illness Insurance* requires adjustment (based on the conditions stated above), we will make the necessary change to the *Insured Benefit* percentage you are approved for.

In this case, your maximum partial coverage amount will be a lower percentage of your *Mortgage* than you applied for. We will specify this percentage in the letter we send approving you for coverage.

The following two examples illustrate when we would offer partial coverage:

For Example:

- You have \$300,000 *Life Insurance* or *Critical Illness and Life Insurance* coverage on your first *Mortgage*.
- You are approved for a second *Mortgage* for \$1,000,000 and applied for *Life Insurance* or *Critical Illness and Life Insurance*.
- Since maximum coverage offered is \$1,000,000, the remaining coverage available on your second mortgage is \$700,000. This is 70% of your second *Mortgage* amount ($\$700,000/\$1,000,000$).
- If at claim time the balance on your second *Mortgage* is \$100,000, then the maximum amount payable under your partial coverage will be 70% of your balance on your second *Mortgage* (70% of \$100,000 = \$70,000).

For Example:

- *Your Mortgage* balance is \$1,200,000 when you apply for *Life Insurance* or *Critical Illness and Life Insurance*.
- Since maximum coverage offered is \$1,000,000, you are provided with 83% ($\$1,000,000 \div \$1,200,000$) of *your Mortgage* balance in coverage.
- If at claim time the balance on *your Mortgage* is \$1,000,000, then the maximum amount payable under *your partial coverage* will be \$830,000 (83% of \$1,200,000).

You may choose to apply for partial coverage if *your Mortgage* is greater than \$300,000 by selecting an *Insured Benefit* percentage on *your Application*. The percentage you select for both *Critical Illness Insurance* and/or *Life Insurance* must be the same. However, *your Insured Benefit* percentage may be adjusted as a result of *our* approval process. In this case we will communicate the *Insured Benefit* percentage you have been approved for in *our* approval letter to you.

The total of all insured *Mortgages* is subject to the \$1,000,000 maximum coverage amount.

Your Insured Benefit percentage selected at the time of *Application* or as indicated in *our* approval letter to you, will be used to calculate the partial coverage amount. *Your partial coverage* amount cannot be lower than \$300,000. Therefore:

- If *your Mortgage* amount is \$300,000 or less, you will be insured for 100% of *your Mortgage* and no partial coverage will be granted.
- If the *Insured Benefit* percentage selected on *your Application* equates to a coverage amount below \$300,000, the *Insured Benefit* percentage must be re-adjusted so that it equates to a coverage amount of a minimum of \$300,000 on *your Mortgage*.
- If *your Mortgage* amount is greater than \$1,000,000, partial coverage will be granted.

Making Changes To Your Partial Coverage

If you wish to increase *your Insured Benefit* percentage, a new *Application* must be completed. If approved, *your premiums* will be re-calculated based on *your* age at the date of the new *Application*.

If you wish to decrease *your Insured Benefit* percentage you must complete a Notification of Change Form available at all *TD Canada Trust* branches. *Your*

premiums will be re-calculated based on *your* age at the date of *your Original Application*. Your new coverage amount will be in effect the date you sign the Notification of Change form.

Recognition of Prior Coverage

If you are transferring a line of credit to a *Mortgage* and you:

- do not meet *our* health requirements; or
- you are over age 55 but under 70, and
- were insured with *us* under a previous line of credit with coverage other than *our Creditor Defined Plan*; then

We may approve you for full or partial coverage on *your Mortgage*, based on the amount previously insured.

The maximum coverage amount under recognition of prior coverage will be a percentage based on the outstanding insured balance of the discharged/closed line of credit divided by the new *Mortgage* amount. We will specify the amount of coverage in the letter we send you approving you for coverage.

To qualify for recognition of prior coverage, you must apply within 30 days of the closure of your existing *TD Canada Trust* line of credit.

For Example:

- The current balance on your existing line of credit is \$50,000 and is being replaced by a new *Mortgage* for \$100,000.
- Coverage approved on your new *Mortgage* will be 50% ($\$50,000 \div 100,000$).
- If at claim time the balance on your *Mortgage* is \$78,000, then the maximum benefit amount payable to your *Mortgage* would be 50% of \$78,000 (\$39,000).

Continuation of Coverage

Continuation of Coverage for Life Insurance

We may offer you continuation of your existing *Life Insurance* on your new *Mortgage*. You are eligible to apply if you:

- are a Canadian resident;
- are between 18 and 69 years old;
- refinancing or replacing your existing *Mortgage*; and
 - have active *Life Insurance* on your existing *Mortgage*; or

- apply within 30 days of your *Mortgage* being discharged and your existing coverage being terminated because of the discharge.

To apply, you are required to complete a Confirmation of *Continuation of Coverage Application*. Your premium rate is based on your age when you sign the *Confirmation of Continuation of Coverage Application*.

Prior to refinance, if your existing coverage amount is less than or equal to \$500,000 you may be automatically eligible for the coverage amount you apply for, subject to a total maximum of \$500,000 of coverage.

Prior to refinance, if your existing coverage amount is greater than \$500,000, you will not receive more than your existing coverage amount.

If you are applying for additional coverage, you will need to complete a new *Mortgage Critical Illness and Life Insurance Application*.

Note: For details about *Continuation of Coverage* on the *Creditor Defined Plan* see page 32.

For Example:

- The current balance on your existing insured *Mortgage* is \$50,000 and is being replaced by a new *Mortgage* for \$100,000.
- You apply for *Continuation of Coverage* on your new *Mortgage* and are approved for \$100,000 in coverage.
- At claim time, the balance on your *Mortgage* is \$78,000.
- The maximum benefit amount that can be paid to your *Mortgage* would be \$78,000 (the full amount of your *Mortgage* balance).

You may be eligible for partial coverage under *Continuation of Coverage*. For full details please see the “Partial Coverage” section on page 34.

The total of all insured *Mortgages* is subject to the \$1,000,000 maximum coverage amount.

If you are applying for *Continuation of Coverage* and your *Mortgage* has been approved, your coverage start date is as follows:

- For the *Life Insurance* coverage that is equal to or less than your existing coverage amount, your effective date is the date of your *Original Application*.

- A 25% multi-insured discount will apply to your *Life Insurance* premium if there is another person insured* with *Life Insurance* related to this *Mortgage*.

- For *Insured Benefit* amounts over \$500,000 a 35% decrease will be applied to the rate used to calculate the cost of your insurance (please refer to premium calculation example on page 44 for details).
- The rate to calculate your premium is based on your age when you apply or re-apply for coverage. This also applies to *Continuation of Coverage*.
- Provincial sales taxes are added to your premiums, if applicable.

*Multi-insured discounts are calculated based on the date of an individual's *Application*.

** Premiums are re-calculated based on the original amount less the lump sum payment, using the original age and rate. Previous payments cannot be added together to make up the minimum lump sum payment required for premium re-calculation. Retroactive premium refund requests will not be honored.

The premium rates per \$1,000 of coverage are shown in the table below. These rates do not include provincial sales taxes.

Note: Premiums are calculated based on *your* age at *Application* and will not increase unless *you* reapply for coverage or rates change for all insured persons under the *Policy*. Premium rates may change at any time. If rates change we will provide 30 days advance written notice.

Misstatement of Age

If a Certificate of Insurance is issued on an insured person based on an incorrect age, the following may apply:

- If *you* are still eligible for insurance, the premium amount will be adjusted to the correct amount based on the correct date of birth at *your* effective date; and
 - If overpaid, we will refund the excess premiums calculated at the time a claim is made against this Certificate of Insurance; or
 - If underpaid, we will decrease the benefit amount by the amount underpaid at the time a claim is made against this Certificate of Insurance;

How To Calculate *Your* Premium

We will withdraw *your* insurance premiums, plus any applicable provincial sales taxes as part of *your* regular *Mortgage* payment. They will be converted to the payment frequency that *you* choose for *your Mortgage* payment.

To calculate *your* monthly premium:

1. Find the rate that applies to *you* in the table.
2. Multiply it by the insured amount of *your Mortgage* as of the date *you* apply for coverage or the date it is funded, whichever is later.
3. Divide the answer by 1,000.
4. Apply the multi-insured discount, if applicable.
5. Apply provincial sales tax, if applicable.

To calculate *your* partial coverage monthly premium:

1. Determine *your Insured Benefit* percentage.
2. Multiply it by the amount of *your Mortgage* to find the insured amount as of the date *you* apply for coverage or the date it is funded, whichever is later.
3. Find the rate that applies to *you* in the table.
4. Multiply it by the insured amount of *your Mortgage*.
5. Divide the answer by 1,000.
6. Apply the rate reduction, if applicable.
7. Apply the multi-insured discount, if applicable.
8. Apply provincial sales tax, if applicable.

For payment frequencies other than monthly, pro-rated premiums will apply.

Examples:

Single Applicant

You are 34 years old and you have a \$100,000 Mortgage. Your monthly insurance premium would be:

	Life	Critical Illness
Step 1:	100%	100%

Step 3:	\$0.17	\$0.19
Step 4:	$\$0.17 \times \$100,000 = \$17,000$	$\$0.19 \times \$100,000 = \$19,000$
Step 5:	$\$17,000 \div 1000 = \17.00	$\$19,000 \div 1000 = \19.00

Step 3:	$\$0.17 + \$0.24 = \$0.41$	$\$0.19 + \$0.26 = \$0.45$

Additional Information

As a general rule, a *Mortgage* is insured if there is an outstanding balance. The following exception applies with respect to the purchase of real estate:

- you enter into an Agreement of Purchase and Sale for a house or other real estate; and
- *TD Canada Trust* commits to advance funds to pay for the real estate; and
- you suffer a loss that would be covered under this Certificate of Insurance after coverage starts but before the funds are advanced;

then in this instance, the amount of that *Mortgage* advanced by *TD Canada Trust* to pay for the real estate will be included to calculate the benefit.

Commonly Asked Questions About *Mortgage Critical Illness and Life Insurance*

Is This Insurance Mandatory?

Applying for the *Mortgage Life Insurance* or the *Life and Critical Illness Insurance* is optional. *You* aren't required to have this product to obtain any *TD Canada Trust* products or services. But remember the benefits. If *you* were to die, suffer an accidental dismemberment or be diagnosed with a terminal illness or critical illness without it, would *your* family be able to take care of the payments needed to live in *your* home?

Can You Sign Up At Any Time?

Yes. As long as the *Policy** remains in force and *you* remain eligible to apply, there are no time constraints preventing *you* from taking advantage of low-cost coverage to protect *your* *Mortgages*. *Your* *TD Canada Trust* representative will be pleased to provide *you* with a *Mortgage Critical Illness and Life Insurance Application*.

What If You Change Your Mind?

Your satisfaction and financial security are important to *us*. That's why we offer a **30-day money-back guarantee**. If for any reason *you* are dissatisfied with *your* insurance coverage, *you* may cancel *your* coverage within the first 30 days, *your* premiums will be refunded and coverage will be considered never to have been in force. If a claim is made within the first 30 days, a refund is not provided.

You can cancel *your* own coverage at any time without the consent of the other borrowers by phone or by written request.

To Cancel By Phone

You can call TD Life at **1-888-983-7070** and, if we are able to confirm *your* identity, you will be able to cancel *your* coverage. In that case, *your* cancellation will start as soon as we complete the call.

To Cancel By Written Request

You can obtain a cancellation form at any *TD Canada Trust* branch, or by calling TD Life. Please send the form to the address at the back of this booklet. If you cancel *your* coverage by written request, we will honour *your* request on the date we receive it. We will refund any premiums we may owe you after *your* coverage has been cancelled.

Is Your Balance Covered In Full?

There are situations where *your* insurance coverage is less than *your* outstanding debt.

The maximum available coverage on all *your TD Canada Trust Mortgages* combined is:

- \$1,000,000 for *Life Insurance*; and
- \$1,000,000 for *Critical Illness Insurance*.

If the total of all *your Mortgages* is higher, you may have partial coverage on some of the *Mortgages*. Also, if you're not eligible for insurance based on *your* health or age, you might be approved for coverage if you were insured on a previous product. Sometimes, depending on the amount you were previously insured for, the maximum benefit under *your new Mortgage* may be less than the *Mortgage* amount.

For more information, please refer to sections "Maximum *Life Insurance* Amounts You Can Apply For" and "Maximum *Critical Illness Insurance* Amounts You Can Apply For" in this booklet.

Can Your Insurance End Before You Pay Off The Debt?

There are situations where *your* coverage may end before you pay off the balance in full and close *your Mortgage*.

For Example:

Your insurance will end when you turn 70 years old or if *your* insurance premiums are in arrears for more than three months.

For more information, please refer to sections “When Your Life Insurance Ends” or “When Your Critical Illness Insurance Ends” in this booklet.

Your actual insurance contract may extend this period. However, you must then purchase another equivalent insurance to the satisfaction of the creditor who may not refuse without reasonable cause.
 - 2. By purchasing other insurance that is equivalent to the insurance required,** to the satisfaction of the creditor who may not refuse without reasonable cause.
 - 3. By demonstrating that you already have insurance that is equivalent to the insurance required,** to the satisfaction of the creditor who may not refuse without reasonable cause.

You may change insurer at any time, provided that you maintain during the term of the loan agreement an insurance equivalent to the insurance required to the satisfaction of the creditor who may not refuse without reasonable cause.
