2019 DV-ACE Summer Day Camp

Students will be actively involved with subjects such as reading, math, science, and social studies. They will also participate in engaging and fun physical activities on a daily basis. The students will have access to a gymnasium and surrounding fields. There will be occasional field trips to the movie theater, park, and other nearby locations. Each week will have a different theme. Students are encouraged to dress up according to the theme (optional), and the activities planned for that week will reflect the weekly theme. Each student is responsible for his/her lunch.

Day camp will be held at the Delaware Valley Middle School.
Camp will be available to students entering Grades 1 through 6 in the 2019-2020 school year.
