2005

By Steve Johnson

Each year Pragmatic Marketing® conducts a survey of product managers and marketing professionals. Our objective is to provide Pragmatic Marketing clients with industry information about compensation as well as the most common responsibilities for product managers and other marketing professionals.

A total of 484 product management and marketing professionals responded to the survey.

The survey was conducted during the period of November 7-24, 2005 using WebSurveyor. →
