More about Windows Live ID

Sign in

Windows Live ID: (example555@hotmail.com)

Password:

[Forgot your password?](#)

Remember me on this computer (?)

Remember my password (?)

You can get your email address from <https://anum.chattanooga.state.edu>. Enter your email address in the Live ID box.

Your initial password is your 6 digit birth date with the # sign. Example: Jan 1, 1991 would be 010191#

You will have to set up your account

The screenshot shows the Windows Live account setup page in Internet Explorer. The browser title is "Account - Windows Live - Windows Internet Explorer" and the address bar shows "https://account.live.com/Logincredprof.aspx?mkt=EN%2DUS&sl=B6fM6ttNmFgyMd%2AzS1He%211". The page content includes the Windows Live logo, a heading "Provide account information", and instructions: "The account you're signing in to is missing some required information. To finish signing in, enter the following information." Below this is a privacy policy link: "We respect your privacy and will use this information in accordance with our privacy policy. [Learn about Windows Live privacy](#)". A section titled "Verify your information" shows the Windows Live ID "jjtiger@my.chattanoogaestate.edu" with a "Sign in with another Windows Live ID" link. A password field is labeled "*Password:" with a "Forgot your password?" link. A section titled "Change your password" includes a field for "*Type new password:" with a note "Six-characters minimum; case sensitive", a "Password strength:" indicator, and a field for "*Retype new password:". Three red arrows point from text boxes to the password fields: one to the initial password field, one to the new password field, and one to the retype password field.

The screenshot shows the Windows Live account setup page in Internet Explorer. The page is divided into three sections: 'Select a question and secret answer', 'Add an alternate e-mail address', and 'Your information'. Red arrows point from text boxes to specific form elements. The first text box, 'Select a secret question and answer it.', points to the question dropdown menu. The second text box, 'Enter your personal email address like Yahoo, AOL, Comcast, etc.', points to the alternate email address input field. The third text box, 'Submit when done with all of the above.', points to the Submit button.

Select a secret question and answer it.

Enter your personal email address like Yahoo, AOL, Comcast, etc.

Submit when done with all of the above.

The screenshot shows a Windows Live account verification page in Internet Explorer. The browser title is 'Account - Windows Live - Windows Internet Explorer' and the address bar shows 'https://account.live.com/LoginTCBD.aspx?id=262631&lc=1033&mkt=EN-US'. The page content includes a thank you message, a request for birth year information, a section for reviewing and accepting agreements, and 'I accept' and 'Cancel' buttons. Two red annotations are present: one pointing to the birth year input field with the text 'Make sure they know this is the birth year. Some put in 2009. This requires a credit card to fix.' and another pointing to the 'I accept' button with the text 'Click when done.'
