Investment and Risk Disclosures

Before investing, please consider the investment objectives, risks, charges and expenses of the fund carefully. The prospectus, and if available, the summary prospectus, contains this and other information and can be obtained by calling the fund company or your financial advisor. Read the prospectus, and if available, the summary prospectus, carefully before you invest.

Performance data quoted represents past performance. Past performance is no guarantee of future results. The investment return and principal value of an investment will fluctuate so that shares, when sold, may be worth more or less than their original cost. Current performance may be lower or higher than the performance data quoted. For performance current to the most recent month-end, please review the prospectus or similar disclosure document by visiting your retirement plan at wellsfargo.com or call your plan administrator.

Average Annual Total Returns are standardized total returns or cumulative total returns (only if the performance period is one year or less) as of the most recent available period. They assume reinvestment of all distributions at net asset value (NAV). Returns shown at NAV do not include a sales charge, if applicable.

The Total Annual Operating Expense ratio noted above ("TAOE") reflects a management fee and administrative costs. Effective 1/1/17, administrative costs are capped at one (1) basis point (0.01%) per year. The TAOE may also, if applicable, reflect certain third party acquired fund fees and expenses. There may be other fees and expenses not reflected in the TAOE that bear on the value of the investment.

A collective investment fund is a pooled investment vehicle that is exempt from SEC registration as an investment company under Section 3(c)(11) of the Investment Company Act of 1940 and maintained by a bank or trust company for the collective investment of qualified retirement plans. CIFs are authorized by the Office of the Comptroller of the Currency (OCC) and are also known as "A2" funds, referring to the section in OCC rules that defines them. **The Fund is not a mutual fund and not subject to the same registration requirements and restrictions as mutual funds.**
