## Italian Grand Prix

The Autodromo Nazionale Monza is steeped in motor racing history and stands as the fastest and most evocative circuit on the Formula One™ calendar.

**Not only does Italy's 'Temple of Speed' have a remarkably similar layout to when it first opened in 1922, but the tifosi's undying passion for their beloved Ferrari is as potent as ever. With the cultural pleasures of Milan in close proximity and a stunning parkland setting, the Italian Grand Prix is perhaps the most captivating race of the season.**
