

PHOENIX CHILDREN'S

Toy Drive

Phoenix Children's Hospital thanks our generous community in ensuring that every child admitted to the Hospital over the holiday receives a gift.

New, Unwrapped gift cards and toys will be accepted from toy drives held by community organizations and individual donors from **December 8th to December 24th.**

These donations will be distributed to patients and families who find themselves at PCH over the holiday season. They will also help sustain our ability to give toys to children in the hospital throughout the year to celebrate important childhood milestones including holidays, birthdays, treatment milestones, and to help kids through particularly tough days.

Please read the following guidelines carefully in order to ensure the safety of our patients and a smooth donation experience.

Our Items of Highest Need

Gift Cards

“When a parent learns that their child is sick, a whole new level of worry arises on a daily basis. At one point in our child's journey, she was admitted for 10 months! During that stay, we celebrated every holiday within the walls of Phoenix Children's Hospital. On many occasions, the outlook was very bleak. But...it was the "gift" of gift cards that encouraged my child to continue to fight. She loves shopping, music and movies, and through the generous donation of gift cards during the holiday season, she was able to "shop online" from her patient room. She could buy a simple gift for her sibling, allowing her to feel better connected to the outside. To most, this seems insignificant, but to our family...it was EVERYTHING! THANK YOU to the generous donors of gift cards! Spirits are lifted, financial burdens are lightened and hearts are filled with so much gratitude!” –A Grateful PCH Parent

To assist you in shopping for teens, we've put together a wish list of items that our patients are always asking for. Don't forget that gift cards are also great for teens, as it gives them an ability to make choices for themselves!
