TEST DEVELOPMENT ACTIVITIES

Competencies and Skills Development and Validation

- Review existing competencies and skills and ensure alignment with the Next Generation Sunshine State Standards or the Common Core State Standards.

Test Item Specifications Development and Validation

- Develop the instructions for test developers to use in creating the new test items.

Test Item Development and Validation

- Review draft test items to confirm that they correspond to the approved competencies and skills.

Validation of Test Forms

- Review the tests and verify the answer keys.

Test Information Guide Review

- Review and validate the test information guides.

BENEFITS OF PARTICIPATION

Benefits of participation include

- opportunities for professional growth and in service credits (individuals should refer to their district's master in service plan to determine if their participation qualifies for in service credits) and
- substitute reimbursement or a stipend of \$250 per 8-hour meeting day for your time and effort. Individuals should refer to their district or institution policy to determine if they are eligible to receive the stipend.

Participants will be

- reimbursed for their travel and meal expenses and
- provided with hotel accommodations, if necessary.

Committees will include individuals representative of the areas and populations in the state of Florida, including

- teachers certified in the content areas being developed,
- college/university faculty, and
- school district administrators/supervisors.
