First Things First

A: Verify Your Name Recording

You must verify your name recording in the system regardless of whether you use the Internet feature or IVR feature. Your recorded name is used during the scheduling process by the full-time employees. You will only need to verify your name one time, as this recording will be used for all of your assignments.

To verify your name recording, have your ID number and PIN ready. Your ID number is your 10-digit telephone number. If you forget your PIN, contact the Kelly Customer Support Hotline at 1-866-KELLY-38.

Step 1: Call 1-800-942-3767.

Step 2: Enter your ID number followed by the # sign.

Step 2: Press **1** to hear your current recording (or your name spelled if you have not recorded your name). If you wish to change your recording:

- Press **1** to proceed.
- Press **2** to return to the Main Menu.

Step 3: The system will prompt you to record your name.

Step 4: After recording, the system will provide the following options:

- Press **1** to save the recording.
- Press **2** to erase and re-record your name.
- Press **3** to return to the Change Personal Information Menu without saving.

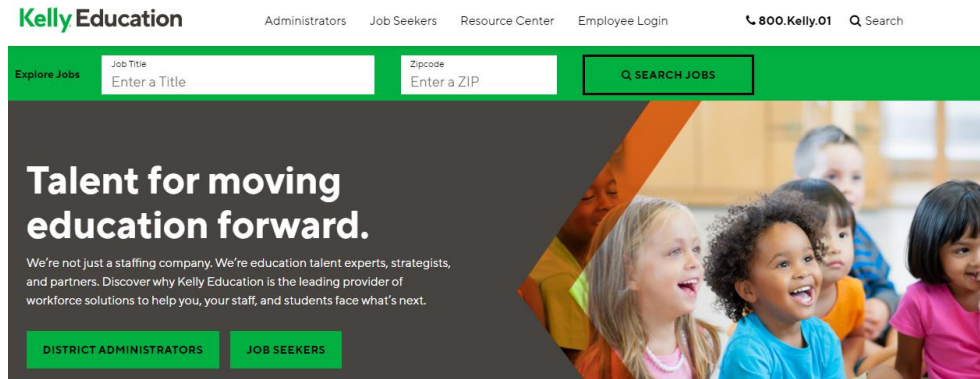

For more information on reviewing and updating your personal information, refer to **Section O: Reviewing or Changing Your Personal Information**.

If you do have the ability to cancel a job, you will see a red Cancel button.

Important: If you remove yourself from an assignment too close to its start time the system will enter a non-work day and you will not be able to accept another assignment for that same date.

E: Entering Time Using Kelly Web Time

You must enter your time into the system by Sunday, 11:59 P.M. local time for the week worked. Otherwise, your time may not be approved and paid during the same week. For your convenience, you can log time into the system at the end of each workday. You will be able to enter your time electronically for the current week and up to three previous workweeks.

If the assignment record in the system does not list the correct teacher you replaced, do not enter time for that assignment. Contact your Kelly Education office or KAST Center and a Kelly representative will enter the correct teacher. You can then enter time for that assignment.

If you have any technical difficulties when using Kelly Web Time, contact the Kelly Customer Support Hotline at 1-866-KELLY-38.

Step 1: On the home page, click **Web Time** on the top menu. Your **Time Sheet Entry** screen will display.

Step 2: The system will display the current week by default. Verify that the correct week ending date is selected before entering any time.

Note: To enter time for a previous week, click the drop down arrow above the date frame, select the appropriate week, and click **Go**.

Step 5: Once the time sheet is saved, in the **Time Sheet Comments** field, select the appropriate school and enter any notes to the approver. Any comments from the approver will also display here.

Your timesheet is now saved in the system. The designated approver will review your timesheet. If you have an e-mail address recorded, you will be informed by e-mail if your timesheet is rejected.

T: Troubleshooting

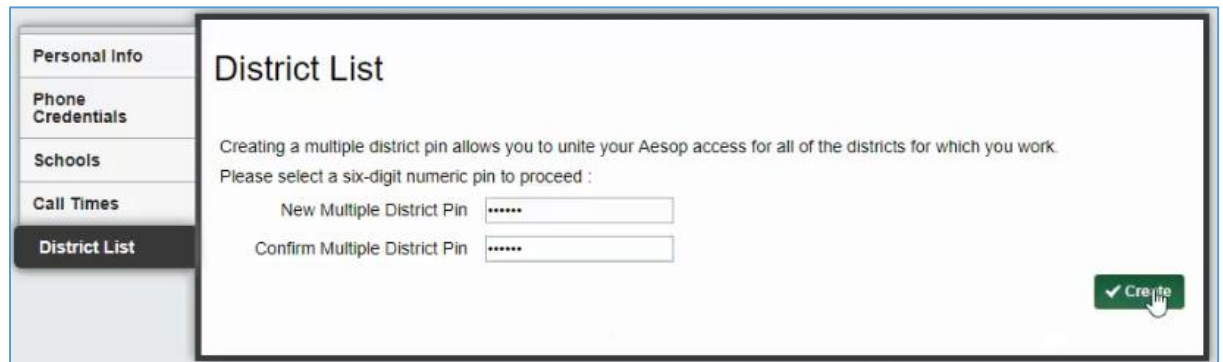

New Multi-Org Substitute – Creating Multi-District PIN

If you are also in another existing Absence Management org, you will receive the notification shown below to create a 6-Digit Multi-District PIN upon logging into Absence Management with your **Frontline Platform Username & Password** (as long as your first/middle/last name, phone, and email are the same in both organizations).

Click on "Create multiple district pin".

The system will go to the District List section of your Preferences page and prompt you to create a multiple district pin. Enter a 6-digit pin in both fields and click "Create". You can then use this 6-digit PIN when calling into the IVR phone system.

A screenshot of the "District List" page. On the left is a sidebar menu with options: "Personal Info", "Phone Credentials", "Schools", "Call Times", and "District List" (which is highlighted). The main content area is titled "District List" and contains the text: "Creating a multiple district pin allows you to unite your Aesop access for all of the districts for which you work. Please select a six-digit numeric pin to proceed :". Below this text are two input fields: "New Multiple District Pin" and "Confirm Multiple District Pin", both containing six asterisks. A green "Create" button with a checkmark icon is located in the bottom right corner.

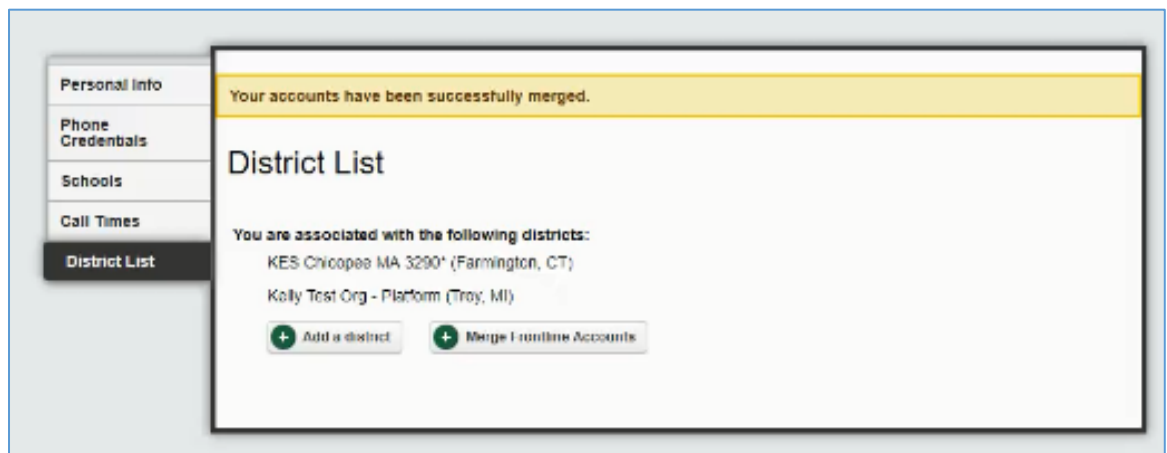

Adding Existing Absence Management Orgs to Frontline Platform Account

Once the multiple district pin is created, the screen below will appear. If you are trying to add an existing organization after the Multi-District PIN has been created, you must first log into the Absence Management website using your **Frontline Platform Username & Password**, NOT your Phone and 6-digit Multi-District PIN. Once logged into your Platform username, go to the menu bar on the left and select – Preferences – District List.

If a message appears "We think we found you in the following districts. Do you want to add them?" and the organization is automatically showing and is correct, click "add" to add that organization to your Platform profile.

If that message is not automatically displayed, you can click on the “Add a District” button and proceed to enter the phone and pin associated to any other organization you want to link.

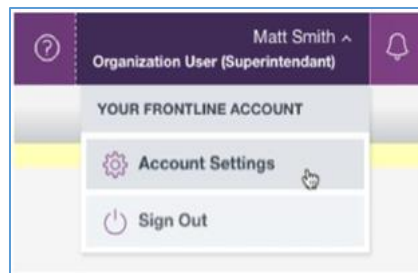

Once the organization is added it will appear on the District List

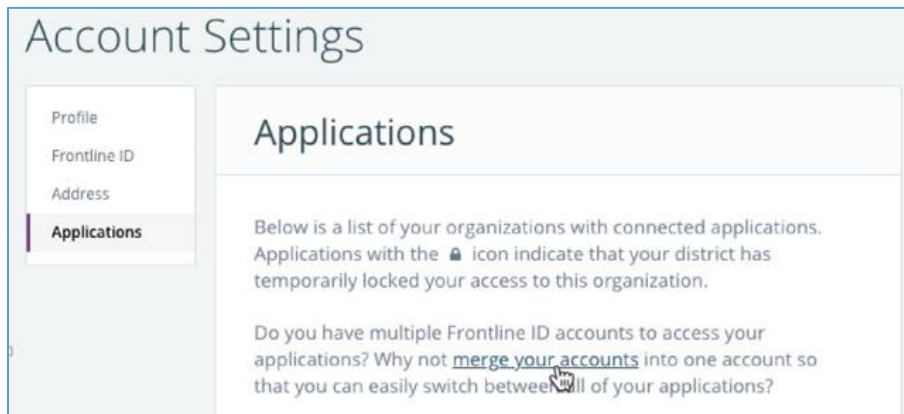

Merging Multiple Frontline Accounts

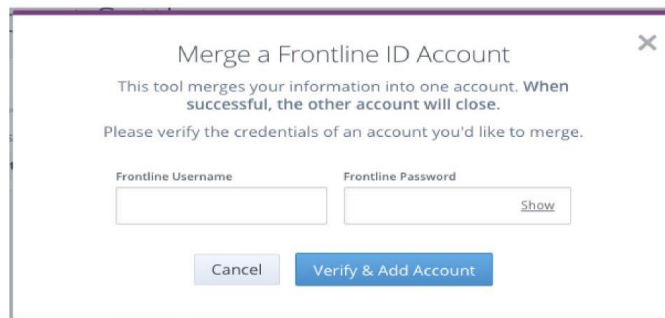

Some users may accidentally create more than one new Frontline ID account. If this occurs, you can simply sign in through one of these new Frontline ID accounts, select the dropdown beside your name in the top right corner of the page, and click **Account Settings**. Then, select the **Applications** link from the side menu.

This page lists any applications currently associated with the Frontline ID account. You can click the **merge your accounts** link to associate any additional accounts you use.

A pop-up box displays. Enter the username and password for the additional Frontline ID account(s) you created and click **Verify & Add Account**.

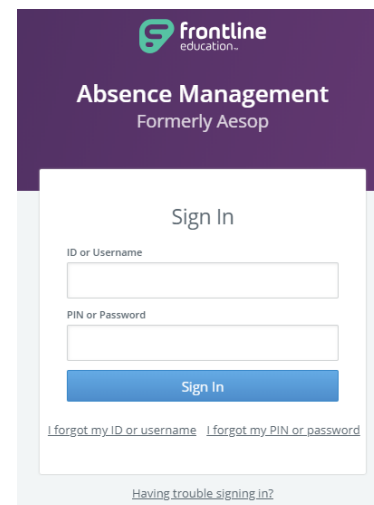

This action merges that secondary account (and the application(s) associated with that account) into this single account. Once complete, you will have the ability to switch between applications while remaining signed in.

Recovering Usernames

Users can recover their Frontline username(s) by selecting the **"I forgot my ID or username"** link on the Frontline Absence Management login page.

You will be asked to provide the email address associated with your account, and the system will then email you a list of your usernames.

If you receive an error that your Frontline username cannot be found, go to <http://app.frontlineeducation.com> and try the "Forgot Username" link on that login page.

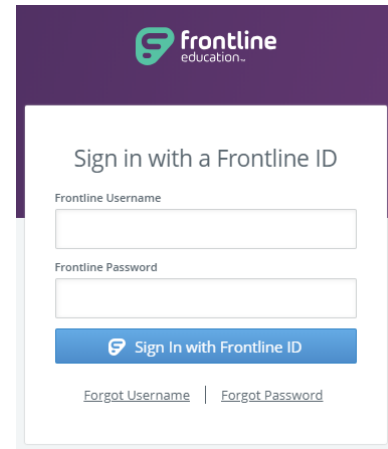

Resetting Passwords

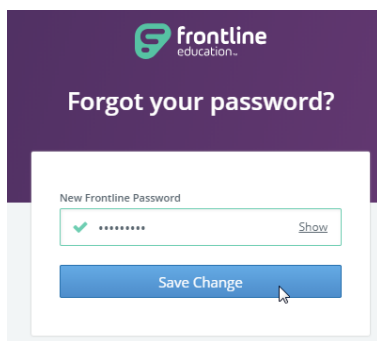

Administrators cannot view or change users' passwords. To change your password, you must select the **"I forgot my PIN or password"** link on the Frontline Absence Management login page.

You will be asked to provide your Frontline username, and the system will then email you a link to click on. The link will redirect you to a password reset page where you can create a new password.

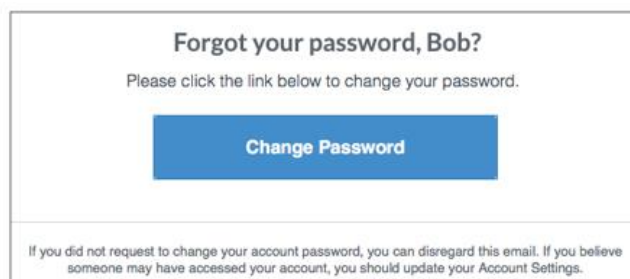

If you receive an error that your Frontline username cannot be found, go to <http://app.frontlineeducation.com> and try the "Forgot Password" link on that login page.

The image shows the Frontline Education login page. At the top is the Frontline Education logo. Below it, the text reads "Sign in with a Frontline ID". There are two input fields: "Frontline Username" and "Frontline Password". Below these fields is a blue button with a white icon and the text "Sign In with Frontline ID". At the bottom of the form, there are two links: "Forgot Username" and "Forgot Password".

The image shows the Frontline Education password reset page. At the top is the Frontline Education logo. Below it, the text reads "Forgot your password?". There is a section titled "New Frontline Password" with a green checkmark icon, a text input field containing "*****", and a "Show" link. Below this section is a blue button with the text "Save Change".
