This year to avoid confusion and conflict, CBSE has decided to reduce the program in terms of 1 and term 2, 50% of ... Invisible steps can contain one or many paragraphs. This is one of the important parts but easy for a student to get signs. Students should study and fully understand the passage to answer related questions. The invisible steps are only to test the ... 12th Board Exams are an important part of the life of the students. The signs obtained in the examination of the board of directors decide the college where you can study. In class 12 the program of each subject increases enormously and it is difficult to cover each point. In English also ... For 2021-22 CBSE launched the exam based on a term MCQ issue 1 and card examinations 2. The entire program was divided into two parts each included 50% of the entire program . To score well, students must practice according to the new CBSE term-wise ... term-wise ...
