5/27 Memory Verse Check

Review Emphasis: Parents and teachers need to review previously learned verses with the students for this program to have value.

GOAL: By the time students leave the EBL building they will have committed 40 important verses to memory that will be useful throughout a lifetime of serving God.

Elementary teachers have the freedom to add or subtract from these verses depending on the week's schedule and their student's abilities. A bracket [] will be on the memory verse card of long verses. The words between the brackets will be all that is required for students through the 2nd grade.

MEMORY VERSE GUIDELINES:

Grades 1 & 2

Weekly Verses

Format of Recitation: Theme, Verse, Reference

All students will be given a start. A “start” is defined as a two word “start” of the verse. A prompt is defined as any word given to student after the “start.”

Students must recite the entire theme, verse and reference to receive a grade of O. Students who recite the bracketed verse only, will receive a grade no higher than S+. Students may not be checked in pairs or groups but only one at a time.

Grading scale:

The same grading scale as Weekly Verses will be used. Only one additional opportunity will be given to raise a grade above an S. Teachers will communicate Bible Verse check date and make-up date to parents and students. Students may not be checked in pairs or groups but only one at a time.

To earn the Bible Memory Achievement Award the student must have an S on all but one verse first, second and third quarters and all but two verses for the fourth quarter(cumulative for the year).
