

Hillary J. Rouse, M.A.

Curriculum Vitae

School of Aging Studies
College of Behavioral and Community Sciences
University of South Florida
4202 E. Fowler Ave., MHC 1319
Tampa, FL 33620

Email: hrouse@usf.edu
Phone: 813-974-2414
ORCID: 0000-0001-9588-6462

EDUCATION

- 2017-Present **Ph.D.**, Aging Studies
 M.S., Medical Sciences: Aging and Neuroscience
 University of South Florida; Tampa, FL
 Dissertation Title: *Early Indicators of Cognitive Dysfunction: The Role of Mild Behavioral Impairment*
 Advisor: Dr. Brent Small
 Committee: Dr. Victor Molinari, Dr. John Schinka, Dr. Zahinoor Ismail, & Dr. Ross Anzel
- 2013-2015 **M.A.**, Gerontology
 Graduate Certificate, Cognitive Science
 University of North Carolina at Charlotte; Charlotte, NC
 Thesis Title: *Assessment of Cognitive Training in People with Mild to Moderate Dementia*
 Chair: Dr. Mark Faust
 Committee: Dr. Boyd Davis & Dr. Maria-Carla Chiarella
- 2010-2013 **B.A.**, Neuropsychology
 Minor, Spanish
 Emmanuel College; Boston, MA

AWARDS

- 2020 Gerontological Society of America: Behavioral & Social Sciences Registration Award
- 2020 H. Edward and Mildred E. Greely Endowed Fellowship Recipient
- 2019 Gerontological Society of America: Behavioral & Social Sciences Travel Stipend

RESEARCH PUBLICATIONS

Peer-Reviewed Journal Articles

6. Guest Lecturer. *Dementia*. Psychology of Aging, Dr. William Haley. 05APR2018. University of South Florida; Tampa, FL.
7. Guest Lecturer. *Intelligence*. Psychology of Aging, Dr. William Haley. 08MAR2018. University of South Florida; Tampa, FL.

RESEARCH EXPERIENCE

2020-Present

Doctoral Researcher

Supervisor: Dr. Lindsay Peterson

Florida Policy Exchange Center on Aging, University of South Florida; Tampa, FL

Description: Assisting with a research study that investigates state laws and policies that protect at-risk community-dwelling older adults when natural disasters occur. Responsibilities include collecting data on different state regulations; organizing and managing data; developing interview questions on how states operationalize these regulations; assisting with interviews with state policy makers; and drafting manuscripts on results.

- 2020-Present **Doctoral Researcher/ Lab Manager**
Supervisor: Dr. Hongdao Meng
Positive Aging Lab, University of South Florida; Tampa, FL
Description: Assisting with the development of the protocol for a project that will be examining the effectiveness of a music app for caregivers of people with dementia, and contributing to research that is investigating music and episodic memory in older adults. Responsibilities include developing the protocol for the neuropsychological assessments, focus group questions, and app protocol; literature review and synthesis; editing of manuscripts; and data analysis
- 2019-Present **Doctoral Researcher/ Lab Manager**
Supervisor: Dr. Kathryn Hyer
Policy & Assisted Living Lab, University of South Florida; Tampa, FL
Description: Developing and coordinating research projects investigating different aspects of assisted living communities in Florida, with a specific focus on memory care. Responsibilities include literature review and synthesis; editing of policy briefs and manuscripts; oversight and planning of all tasks; and organization, analysis, and management of data.
- 2017-Present **Doctoral Researcher**
Advisor: Dr. Brent Small
School of Aging Studies, University of South Florida; Tampa, FL
Description: Lead author on several research projects that include data analysis and management. Responsibilities include literature review and synthesis; and data analysis and management.
- 2017-2018 **Doctoral Researcher**
Advisor: Dr. Victor Molinari
School of Aging Studies, University of South Florida; Tampa, FL
Description: Assisted in completing and submitting an SBIR proposal about implementing virtual reality to help train staff in nursing homes. Responsibilities included evaluating past training modules (CARES) and assisting with the literature review and synthesis.
- 2016-2017 **Clinical Research Coordinator**
Supervisor: Dr. Mohammad Bolouri
Alzheimer's Memory Center; Charlotte, NC
Description: Executed and supervised eight clinical trials for individuals with mild cognitive impairment or dementia. Responsibilities included recruiting participants, scheduling visits, creating and maintaining accurate records, evaluating patient's health, shadowing the neurologist, and communicating with family members of participants.

- 2014-2017 **Graduate Research Assistant**
Advisor: Dr. Mark Faust
Cognitive Control & EEG Lab, Department of Psychological Science,
University of North Carolina at Charlotte; Charlotte, NC
Description: Lead researcher on two projects involving cognitive training
and control, and assistant researcher on a project involving action
monitoring and attention. Responsibilities included completing IRB
proposals; recruiting, screening, and coordinating study sessions; and
recording and analyzing pertinent data.
- 2015-2016 **Graduate Research Assistant**
Supervisor: Dr. Joel Sneed
Lifespan Development & Psychopathology Lab, Department of
Psychology, Queen's College; Queens, NY
Description: Assisted with two research projects involving cognitive
remediation and training. Responsibilities included screening participants,
administering assessments, monitoring game play, and analyzing data.
- 2015 **Graduate Research Assistant**
Advisor: Dr. Florence Martin & Dr. Lee Ahlgrim-Delzel
Department of Educational Leadership, University of North Carolina at
Charlotte; Charlotte, NC
Description: Qualitative coder for a research project that systematically
reviewed various online learning technologies across the span of two
decades. Responsibilities included reviewing and analyzing scholarly
articles.
- 2015 **Graduate Intern**
Supervisor: Dr. Philip Sloane & Dr. Sheryl Zimmerman
Cecil G. Shep's Center for Health Services Research, University of North
Carolina at Chapel Hill; Chapel Hill, NC
Description: Assisted on a project about the mealtime experience for people
with dementia. Responsibilities included identifying, developing, and pilot
testing assessment tools for different domains of the mealtime experience.
Assisted on another project about a medical website for caregivers of those
with Alzheimer's to use. Responsibilities included writing guides for hip
fractures in people with dementia, surgery for people with dementia, and
delirium.
- 2014-2015 **Graduate Research Assistant**
Advisor: Dr. John Gero
Department of Computer Science, University of North Carolina at
Charlotte; Charlotte, NC
Description: Lead researcher on an eye tracking and architectural design
study. Responsibilities included scheduling participants, running the entire

research visit, assembling the physiological recording devices, and organizing and analyzing data.

2013-2014

Graduate Research Assistant

Advisor: Dr. Dena Shenk & Dr. Boyd Davis

Department of Gerontology, University of North Carolina at Charlotte; Charlotte, NC

Description: Assistant researcher on a project about communication in dementia and on a project about the mealtime experience for people with dementia. Responsibilities included administering a communication test, analyzing pre-meal and mealtime experiences, and documenting and analyzing foods eaten.

2012-2013

Undergraduate Intern

Supervisor: Dr. Anil Nair

The Alz Center; Quincy, MA

Description: Executed and supervised three clinical trials for individuals with dementia and different neuroimaging techniques. Responsibilities included recruiting participants, scheduling visits, creating and maintaining accurate records, shadowing the neurologist, and communicating with family members of participants.

EDITORIAL WORK & SERVICE

2019-Present

Ad Hoc Reviewer of Alzheimer's Disease and Related Disorders Training Curriculum Programs for *University of South Florida's Training Academy on Aging*

2020

Ad Hoc Reviewer for *Aging and Mental Health*

2019

Ad Hoc Reviewer for *Psychoneuroendocrinology*

2015-2016	Queen's College Neuroscience Club, <i>Student Member</i>
2013-2015	University of North Carolina at Charlotte Gerontology Club, <i>Student Member</i>
2014-2015	University of North Carolina at Charlotte Club Soccer, <i>Student Athlete</i>
2012-2013	Emmanuel College Neuroscience Reading Group, <i>Student Member</i>
2010, 2012	Emmanuel College Varsity Soccer Team, <i>Student Athlete</i>

RELEVANT SKILLS

- Language skills: Bilingual in English and Spanish
- Neuropsychological testing: Trained to administer a variety of psychometric and global assessments (list can be given upon request)
- Physiological testing: Trained to use EEG, ECG, Gazepoint Eye-Tracking, NeuLog Galvanic Skin Response

- Computer skills: Proficient in SPSS software, SAS software, Microsoft software, qualitative coding
- Teaching skills: Tutoring and study preparation

OTHER PROFESSIONAL EXPERIENCE

2016-2017	Global Rater, Psychometric Rater, Behavioral Therapist; Alzheimer's Memory Center; Charlotte, NC
2015, 2016	Program Assistant; Coltrane L.I.F.E. Center; Concord, NC
2015-2016	Clinical Trainee; Sunrise Assisted Living; Brooklyn, NY
2015-2016	Research Assistant; Weill Cornell Institute of Geriatric Psychiatry; White Plains, NY
2012-2016	Secretarial Assistant, Psychometric Rater; The Alz Center; Quincy, MA
2011-2014	Activities Aide; Wilkinson Nursing Home; Amsterdam, NY

COMMUNITY SERVICE

- Brain Health Initiative Scholar
- Dementia Care and Cure Initiative Train the Trainer: Purple Dining
- Alzheimer's Association Caregiver Support Group Facilitator
- Alzheimer's Association Educator: 10 Warning Signs of Dementia
- Alzheimer's Association Educator: Understanding Alzheimer's & Dementia
- Alzheimer's Association Educator: Healthy Living for the Brain & Body
- University of South Florida Technology Assistance Group
- Telepal for Meals on Wheels
- Meals on Wheel Volunteer
- Walk to End Alzheimer's (*Raised \$8,367*)
- American Red Cross Blood Donor (*Donated over 3 gallons*)
- Family Addition Dog Rescue of Charlotte Volunteer
