## EDUCATION EDITION

## FREE MINECRAFT: EDUCATION EDITION IN SCHOOL AND AT HOME

The games-based learning platform with special features designed for classroom use is available for FREE through Hwb.

Minecraft: Education Edition promotes creativity, collaboration and problem-solving in an immersive environment where the only limit is your imagination.

 Microsoft

# TIME TO BUILD

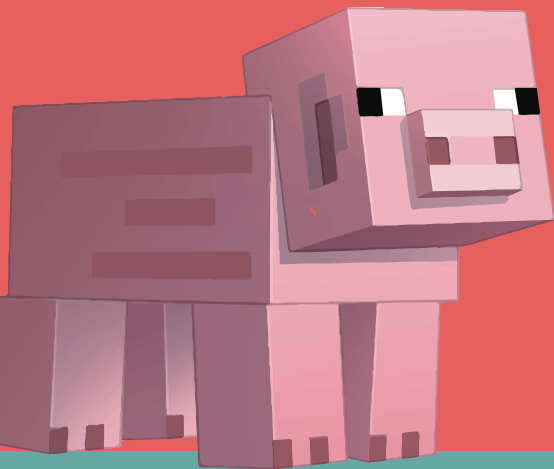

Use Minecraft: Education Edition to teach a range of subjects, from the humanities and languages to numeracy and science, and map lessons directly to specific learning outcomes and curriculum content.

Minecraft: Education Edition allows you to create opportunities for learners to work collaboratively and creatively in this uniquely engaging environment.

Minecraft is easy to learn for adults too, allowing educators to take their first steps into games-based learning.

# LEARN TO CODE WITH MINECRAFT

Minecraft Code Builder breaks down the barriers to participation in coding, allowing educators and learners to explore, create, and play in an immersive Minecraft world – all by writing code.

Connecting to learn-to-code packages including a new open source platform called Microsoft Make Code, players start with familiar tools, templates and tutorials.

# Why use Minecraft: Education Edition in your classroom?

- ✓ Exciting, games based learning.
- ✓ Encourages creativity and innovation.
- ✓ Secure online environment.

# HOW TO GET STARTED

Book onto **free Minecraft: Education Edition training** led by Hwb Minecraft Learning Centres.

Visit [hwb.gov.wales/events](https://hwb.gov.wales/events) and search 'Minecraft'.
